A dance for the queen at the "Coronation Ball."

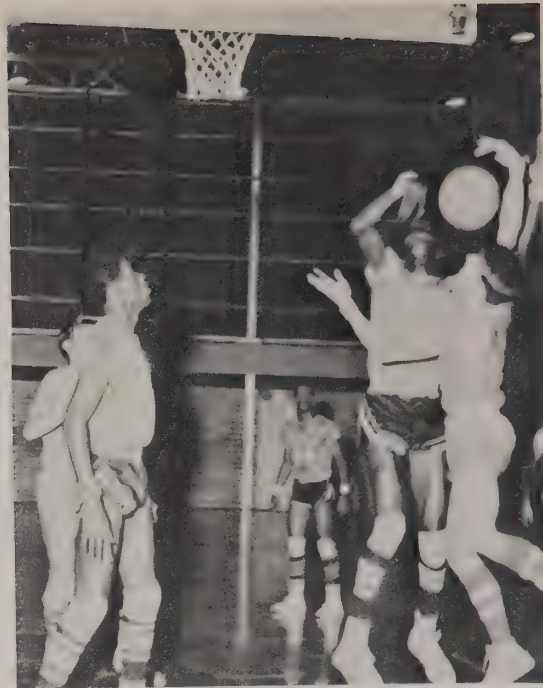

Eugene Holmes, talented musician, performs in the Fine Arts Little Theatre.

Students can even study in the "snack bar."

General Davidson speaks at the ROTC's first anniversary.

The Lions defeat John Brown University.

Miss Faye Clark has time to pose for our cameraman.

A.M.&N. celebrated its tenth annual retreat. The retreat was held this year at Camp Couchdale. The resort is approximately 12 miles west of Malvern, Arkansas.

The band marches down Main Street "Homecoming Day," 1969. Onlookers crowd the sidewalk to see the "Marching 100" perform.

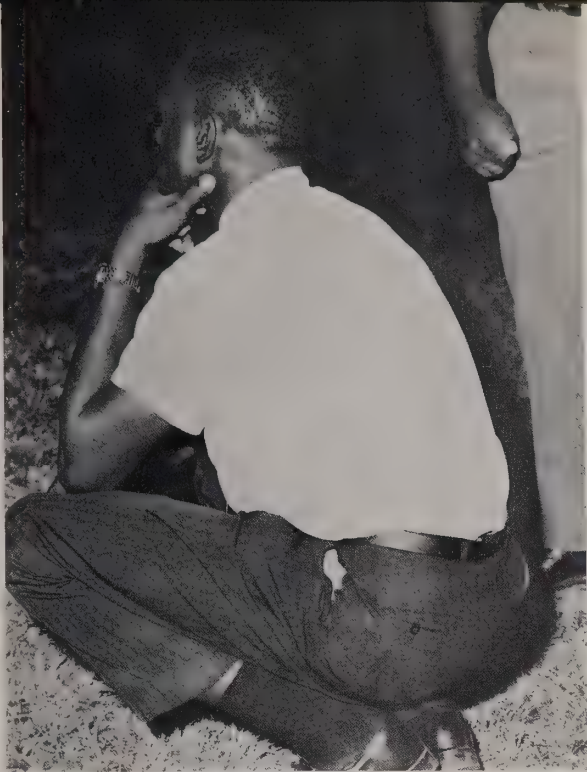

The audience congregates early for the musical concert. The concert featured the talented Mr. Eugene Holmes in the Fine Arts Little Theater.

Pat Rogers admires her nearly completed work.

Students rush to get the talented Eugene Holmes's autograph after a grand performance. Mr. Holmes's concert drew a full house and his talent was enjoyed by one and all. The attendance of A.M.&N. students to a formal affair, such as this, is indigenous of the numerous interests displayed by a homogeneous A.M.&N. student body.

Coach Johnson studies a play.

Prexy, Marcus "Couchie" Stevens and Coach Johnson give a pre-game pose.

Mays plays a game of ping-pong with concealed partner during retreat.

The A.M.&N. ROTC Drill team performs a half time execution.

Cadet Captain Andrew Johnson receives promotion to Cadet Major. After many hard summer camps and exhausting training, Mr. Andrew Johnson receives his rewards for being able to not only lead, but being an excellent follower. The pious and enduring attitudes, that the gentlemen of the ROTC and Mr. Johnson are noted for will one day serve our country well.

Eugene Holmes has his audience in a trance. The audience seemed to have rocked and glided along aimlessly with the music Mr. Holmes sang. The mystic sounds that were produced by Mr. Holmes, intrigued the audience and gave many a feeling of inner peace.

A Statute of a man is represented in this picture of the 1969 commencement speaker. Education, always the means to our end, was explained in detail by Dr. Samuel D. Proctor. Viewing a dedicated educator in action was a great part of the 1969 graduating class.

Letter "A" athletes enjoy a delicious breakfast.

MRS. GLADYS M. SMITH

DEDICATION

We speak of a person from Boston, Massachusetts, the youngest of seven children. One who has worked at numerous jobs from employment at Florida Normal & Industrial Institute, Saint Augustine, Florida to Stenographer at Tuskegee Institute, Tuskegee, Alabama. In 1938, she came to A.M.&N. to serve as Bookkeeper. While at A.M.&N., she earned a Bachelor of Science Degree in Business Administration. For further study, she attended Boston University where a Master of Education Degree with Specialization in Guidance was acquired. Additional study was also done at other numerous Universities. After returning to Pine Bluff, our own assumed the position as teacher-counselor in the

Freshman Studies Division at A.M.&N. and is now serving as the Assistant Director of the Division. This person has done much to orientate and direct incoming Freshmen. An abundance of understanding and sincerity has endeared her to Freshmen and upper-classmen alike. Her major interest is the present reading situation of students on campus. In the future she plans to invest much of her time to this problem. As a result of her many pleasing qualities, she was selected MISS ALUMNI for 1968-69. For being what you are Mrs. Gladys McKindra Smith, we proudly dedicate to you the 1970 Edition of the LION.

"Wonder if the crown will fit?"

"Funny . . . I don't feel like royalty."

Few could ever top the charm and grace presented by Mrs. Gladys M. Smith.

The Governor The Honorable Winthrop Rockefeller

WINTHROP ROCKEFELLER
GOVERNOR

STATE OF ARKANSAS
OFFICE OF THE GOVERNOR
LITTLE ROCK

GREETINGS TO STUDENTS AT A. M. & N. COLLEGE:

Thank you for asking me to participate, through this message, in your 1970 yearbook.

The youth of our state is a major interest of mine. One might even say that it is a selfish interest because I am keenly aware that, all too soon, youth is gone and adulthood arrives. Irresponsible, uneducated youths become irresponsible, uneducated adults. I don't want this for Arkansas. That is why I have pledged my administration to the achievement of programs that will build a better Arkansas for our young people to grow up in.

The transition from youth to adulthood is a difficult one but I am pleased with the way most of today's youth are meeting the challenges of society. I admire your reaching out for scholastic achievement. I'm happy to see that you want to participate and are taking steps to prepare yourself for the future. It is my hope that, as you gain maturity, you will retain your young spirit.

As your friend, as well as your governor, let me say this to you...continue to study hard, develop an integrity that can't be compromised and prepare yourself to meet the opportunities of your time in the best ways that you can. You, and our world, will be better for it.

With all good wishes,

Sincerely,

Winthrop Rockefeller
Governor

Left, Seated: Mr. C. D. Franks, Secretary; Mr. Sam Anderson, Chairman. Standing, L to R: Mr. York Williams Mr. Clarence Roberts, Jr., Chairman; and Reverend Maurine Williams.

Board of Trustees Serves Diligently

Mr. Ralph Robinson

Mr. Farris E. Madison

The Agricultural, Mechanical and Normal College's Board of Trustees is composed of seven members, selected from the Congressional District of Arkansas. One member is selected at-large by the Governor. The term of service of the Board Members is six years, but each member is eligible for reappointment.

The Board of Trustees has the responsibility of regulating the College's finances, governing its overall program and serving as an agency of this state. The length of tenure of many board members makes possible an awareness of A. M. & N. College's problems; therefore, enabling them to make sound decisions.

A. M. & N. has advanced greatly under their leadership. We are fortunate to have a group of men who work so diligently and faithfully to promote the social, economic and political life through improved and increased educational facilities.

The Board of Trustees serves as the central governing agent of the administrative process and their actions lend themselves to the physical, academic and social development of the college. The Board is well acquainted with problems and difficulties of such areas. It is their primary endeavor to work toward the expansion of the college and to develop it to its fullest capacity in all aspects.

DR. LAWRENCE A. DAVIS

A. M. & N. College President

The life of "Prexy" is a busy one. It is filled with phone calls, conferences, meetings, speaking engagements and hand shakes. It is a life spliced by mountains of papers, frequent interruptions while he is busily working and extensive planning and contemplation for tomorrow's problems and tomorrow's responsibilities.

Despite all this, the President still finds time to enjoy

his favorite sports, hunting and fishing — which gives him an opportunity to escape the closed atmosphere that he's usually in, due to his work.

Men who stand tall among tall men, men who live and die by principle and whose fight always ends in victory are leaders, such a man is President Lawrence A. Davis.

"Think!"

"Mingle, mingle, mingle."

"So you prefer soul food, ay coach?"

"Peace or victory."

"... punch needs sugar."

DR. RICHMOND C. DAVIS

Dr. Richmond C. Davis
Vice President
For Academic Affairs
Research
and Development

The vice president of the office of Academic Affairs, Research and Development, is under the direction of Dr. R. C. Davis. Dr. Davis has made and advocated a lucrative

program, both physical and academic, for the betterment of our college.

The purpose of this highly intricate office is to utilize and promote maximum academic and physical expansion for the college. For example, expansion of curriculum, promotion of greater recreational programs, physical expansion and the development of highly objective personnel, to deal with monetary affairs.

Acquiring federal aid, is another of the many important duties performed by this office.

DR. LEE A. TORRENCE

Dr. Lee A. Torrence
Vice President
of Administration
and Student Affairs

The office of the Administration and Student Affairs is under the advice of the president of the college. This office serves as an assistant to the president of A.M.&N. College.

Dr. Torrence obtained his Bachelor of Science Degree from A.M.&N. College, however he has worked and received his Master's Degree from Marquette University. Dr. Torrence has done further study at the following highly rated institutions of education: University of Arkansas, University of Wisconsin, Colorado State College and the University of Oklahoma. He received his Doctorate of Education Degree from the University of Kentucky.

MR. JOSEPH A. RAMOS

Vice President of Fiscal Affairs and Comptroller

This unique office, is one, to be looked upon with the respect of all, because the responsibilities are many and are highly complex. The office of Fiscal Affairs and Comptroller is under the administration of Mr. Joseph A. Ramos. Mr. Ramos has worked with concern and diligence in this

office since he first assumed the position.

A difficult task to be performed by this office, is to recognize the educational needs and desires of the college. In another aspect, the office looks after the business affairs and this requires a person with above average reasoning, abilities and college training. For such qualifications, Mr. Ramos most capably fills the position.

DR. GARLAND D. KYLE

Dean of Administration

Academic standards, class schedules and attendance records are issued from the office of the Dean of Administration. The duties to be carried out by the office are under the leadership of Dean Garland D. Kyle, who has been a member of the A.M.&N. College family for a number of

years and has endured each year with outstanding ability.

The administrator must aid students who may become frustrated dealing with the technical and more complex living and competition in college life; therefore the head of this office must have some knowledge of human behavior in order to aid students. One such person is Dr. Kyle who has excelled with above average ability.

The personality of the administrator plays an important part in linking the communication gap between students and faculty, therefore practical knowledge is a must.

Dean

Division of Agriculture and Technology

Through the dynamic leadership of Dr. S. J. Parker, the division works to equip students in all specialized areas. Increased emphasis is placed upon research which is performed in the laboratory. Each department enriches its program with additional experiences in applied practice. The division has an effectively developing program which is showing remarkable progress through the combined efforts of its respective department head.

The Division of Agriculture and Technology is made up of three major departments: Agriculture, Home Economics and Mechanical Arts. These departments main objectives are to prepare teachers, to prepare students in specialized fields and to develop students in the technological areas. Future farmers, dietitians, food specialists, architects, machinists, and builders receive in the division a broad, scientific, technical, and yet practical education in their respective fields.

DEPARTMENT OF Home Economics

Dr. Phyllis Greenhouse
Professor of Home Economics

The Home Economics Department is under the efficient leadership of Dr. Phyllis Greenhouse. Dr. Greenhouse and her staff work increasingly with student recruitment, student guidance, and follow up. One of the outstanding features of the Department has been the curriculum expansion which has kept pace with changing needs in the area of Home Economics.

The Home Economics Department, because of the condemnation of its building, is temporarily housed in the Agricultural Building, the Forum Room in the Lawrence A. Davis Student Union and in cottage number one on faculty row.

Despite its present limited facilities, the department continues its sound method of training students for their roles in various vocations. The department looks to the future with the hope that soon its faculty can be expanded, adequate facilities will be constructed and an enriched program for the expansion of the nursery school, curriculum in foods and nutrition and a broad program in family relations and child development. The department plans to put increased emphasis on Institutional Dietetics as soon as facilities will permit. The department with its many projections for the future will continue to attract quality students and prepare them for the opportunities that await them in the future where they can serve a worldwide community.

Dean Division of Arts and Sciences

The general aim of the Department of Sociology is to create in the students the ability to think critically and to analyze objectively society and culture. The department objective is to train the student in the proper handling of conceptual tools. To acquaint him with methods of research, to foster in him a scientific attitude toward societal data and Cultural phenomena.

The courses are designed to provide students with the broad knowledge of society and human relations essential for effective living. To familiarize students with the nature of the scientific approach in terms of gathering data. To help students in preparing for careers in social work, and other professional fields involving inter-personal relationships. To provide the necessary prerequisite training for students interested in advanced degree in sociology.

The Department of Sociology and Anthropology offers a wide variety of courses dealing with contemporary society as well as preliterate societies.

Recently, with the establishment of the Anthropological laboratory in cooperation with the University of Arkansas, the department has been in a position to develop an enriched curriculum in Anthropology.

Department of Biology and General Sciences

The department endeavors to support the stated aims of the college. Its objectives are (1) to develop in the student a wholesome attitude toward healthful living and (2) to create in the minds of the students a curiosity which is conducive to constructive thinking in their search for facts pertaining to the laws of nature and the biological phenomena of life. The end is met under the able direction of Dr. Rufus L. Caine.

The Bachelor of Arts Degree in Biological Science and the Bachelor of Science Degree in Biology may be earned after the student has successfully completed ninety-five (95) semester hours of undergraduate work as specified in the curriculum then pursue a prescribed training program in one of the cooperating hospitals. He is then eligible to take the Medical Technology Examination administered by the Board of Registry of Medical Technologist of the American Society of Clinical Pathologists.

The degree of Bachelor of Science in Medical Technology is offered in cooperation with the University of Arkansas Medical Center at Little Rock, St. Joseph's Hospital in Memphis, Tennessee, and St. Vincent Infirmary, Little Rock, Arkansas.

The curriculum is so designed to: (1) meet the needs of students who desire some fundamentals of Biology as a part of their general education requirements, (2) prepare students for the teaching of Biological Science, and (3) prepare students for graduate work and related such as Nursing, Medicine, Dentistry, and Laboratory Technology.

A new Science building valued at approximately \$1,200,000.00 will add to existing science facilities. Radiation and General Research Laboratories will be available to students and faculty. Independent study and senior students projects will be encouraged for deserving students.

Department of Chemistry

The Chemistry Department is ever changing and progressive under the capable leadership of Mr. L. B. Barron. The department is equipped to meet the needs of Medicine, Chemistry, Dentistry, Pharmacy, and other fields of study requiring an adequate background in Chemistry.

Under the unique direction of Mr. Bauknight, Mrs. Hyman, Mr. Hargrove and Mr. Trotman students have excelled and have been employed in numerous highly technical positions throughout the country.

Chemistry majors from the department have been placed in highly technical areas of chemistry as a result of the strong foundation they built here for the chemistry department is recognized to be one of the stronger and more highly technical areas in the college program.

Chemistry majors begin with courses in general principles. Students who plan to enter the field as a major spend many tedious hours on short equations and brief experiments.

Mrs. Claudine N. Hyman

Mr. Billy Bauknight

Department of Mathematics and Physics

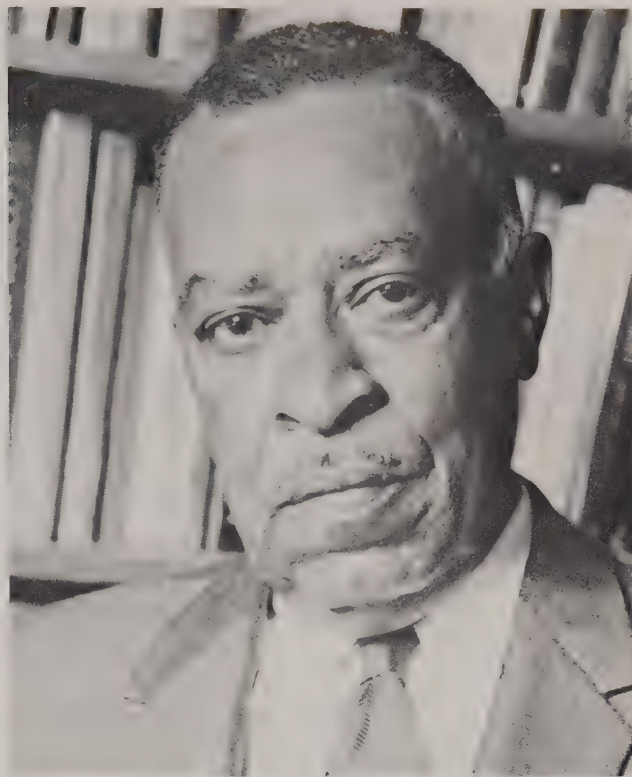

The Department of Mathematics and Physics has served as the center of activity promoting an avid interest in mathematics and physics on campus.

The department has as its main objectives the following:

1. To offer courses leading to the B.S. Degree with a major in mathematics, to train individuals for teaching mathematics in high schools, and to prepare students who wish to do so, for advanced study in mathematics or other technical courses.
2. To offer a carefully planned course in the basic principles of mathematics for students lacking the prerequisites for college courses in this field.
3. To offer courses in mathematics and physics designed to form a part of a liberal education.
4. To prepare students who wish to enter the highly technical fields of mathematics and physics.
5. To develop in the student an appreciation of the methods by which physics, facts, and laws are established.

Highly trained instructors stress the fact that mathematics and physics play a significant role in the contemporary world, in business and industry as well as solving the complex problems of earth and its position in the universe.

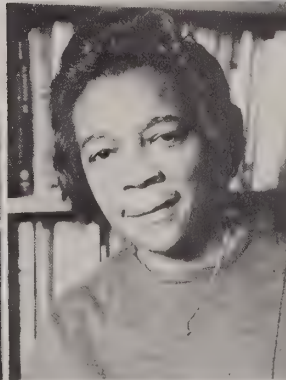

The department's nine full-time instructors service an enrollment of some 1800 students under the administration of Mr. O. T. Shannon.

Department of Art

The Department of Art of Arkansas A.M.&N. College offers a bachelor of Arts Degree in Functional Art and a Bachelor of Science Degree in Art Education. The Functional program is designed for students who are seeking training in a non-teaching field. The Art Education Program is designed basically for those students who plan to teach in the elementary, junior, and senior high schools.

Both curricula in art have been strengthened upon entering the new Fine Arts Center. The instructional staff has been increased by a planned program. The doors of the Functional Arts program are open to students who show special talents in the arts for their future career and will prove to be a good investment.

The threefold purpose of courses planned are:

1. To offer opportunities for the student to develop and explore his creative abilities.
2. To help the student develop an awareness of the expression of art, its identity with life and environment of the student.
3. To provide specialized professional education training in art for those students who plan to teach.

Mr. John M. Howard is the chairman of the department of art. The new Isaac Scott Hathaway Fine Arts Center provides for an art Gallery and Museum. These facilities add to the cultural growth of the college community with a series of outstanding exhibitions of various works of art. The Museum will serve as the store house of a permanent art collection, and the Art Gallery provides excellent facilities for hanging and displaying traveling exhibitions from all parts of the nation.

The new offerings of the department of art include sculpture, ceramics, wider range of offerings in painting and drawing, public school arts and crafts courses, and a broader program in the commercial art field, and weaving.

Department of English, Speech and Drama

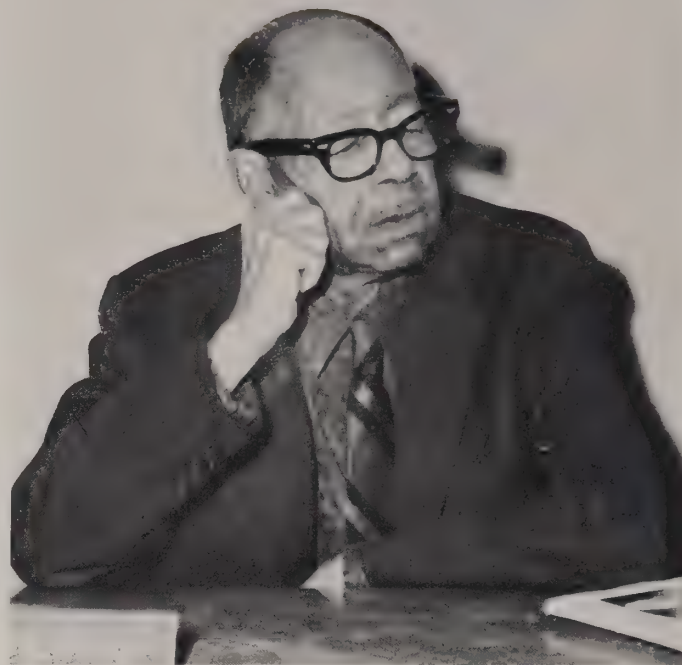

The Department of English is in some respects a service department under the direction of Mrs. M. F. Cross. Forty-two different curricula require at least one of its composition, grammar or literary courses. All Freshmen are required to take composition and upperclassmen, Introduction to Literature.

Departmental emphasis is one preparation of the teaching major, provides a liberal background for cultivating and developing the students humane potentialities, and prepares all majors for graduate study.

The Department of Speech and Drama is under the direction of Mr. John McLinn Ross. The Department aims to develop good speech in the individual student, acquaints him with American Standard Diction and the Standard speech of his section of the country, and acquaints him with

Mr. Ross, the chairman of the Department appeared on Broadway in Emperor Jones and later returned to Yale to do this student part in a student production. He has written several works that have brought national acclaim.

Department of Modern Foreign Language

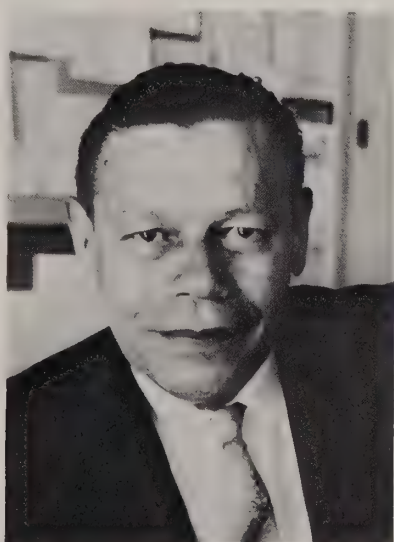

The department of Modern Foreign Language seeks to lay a foundation for the progressive development of aural as well as an oral skill in French, German, Spanish, and/or Italian. It strives to prepare prospective foreign language instructors in secondary schools who plan to teach at a higher level. The function of this department is made possible by its competent staff members: Mr. O. E. Jackson, chairman, Dr. Bellegarde, Miss Jones and Mr. Lopez. In addition, instructions as a service unit, is provided for all interested students in related departments whose curriculum include foreign language requirements.

The aims of the department of Foreign Language are:

1. To teach the students to communicate in foreign language.
2. To acquaint the student with a basic knowledge of the background of Modern Foreign Language.
3. To prepare students for teaching and non-teaching.
4. To provide training for those who desire to do graduate work in the Foreign Language.

Department of History and Political Science

The Department of History and Political Science is under the direction of Mr. R. F. Russell. The Department offers scholarships to needy students and assists students in obtaining assistantships to graduate study.

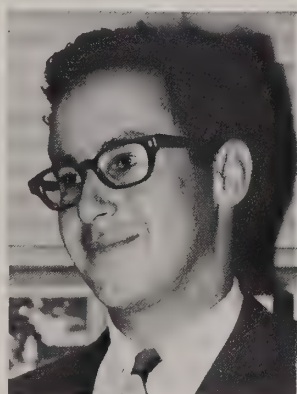

The Department aims are:

1. To provide a basis for students who desire to specialize in the Social Sciences.
2. To provide a background for students who plan to teach history or social science.
3. To provide an adequate background for those interested in careers in governmental service, domestic programs and in the realms of foreign affairs.

In keeping with current academic trends, the Department of History and Political Science has designed a curriculum in Black Studies. Three of the main objectives are: (1) To trace the political and cultural development of Black African nations; (2) To present the cultural heritage of Afro-Americans and (3) To present American history with a treatment in depth of the Afro-American role.

Department of Music

The Music Department offers majors in voice, piano, trumpet, saxophone, flute, trombone, percussions, and other musical instruments. The department offers programs heading to a Bachelor of Arts with a major in music and a Bachelor of Science degree with a major in Music Education.

The department offers cultural courses for all enrolled students. The Vesper Choir, The Marching 100 Band, the Concert, the Choral Society, and men and women ensembles are outstanding auxiliary units of the department. Each of these organizations makes personal appearances all over Arkansas on television and the Vesper Choir makes an annual trip to the mid-west and far-west once during each year.

The department has a dual role in that it provides the finest possible training for the professional musician and prospective music teacher, and to raise the standards of Music and create an interest in the art of Music among the general public.

The department has sent outstanding students to teaching jobs across the nation as well as placed students in reputable conservatories over the world. This Department is headed by Mr. A. M. Lovelace.

Division of Teacher Education

The division of Teacher Education is under the direction of Mr. C. W. Dawson. Through his capable direction and with an intellectually-motivated staff the students of this department have received unlimited job opportunities upon graduation.

The division of Teacher Education consists of the Department of Health and Physical Education, the Departments of Elementary and Secondary Education, Audio-Visual Center, Reading Clinic, and Student Teaching. Offerings closely related to the Professional need to teachers in Geography, and Human Growth and Development are included in the department's offerings.

The Program of the Division of Teacher Education is designed to achieve the following objectives:

1. To provide instruction and guidance for Elementary school teachers.
2. To provide instruction and guidance for Secondary teachers.
3. To provide instruction and guidance in professional courses for Secondary teachers of special academic and vocational subjects.
4. To provide facilities and supervision for student teaching in the cooperating public schools in Arkansas.
5. To provide laboratory experiences by arranging for experience-learning in the public schools.

The division of Teacher Education has had the Counsel and guidance of the American Association of Colleges for Teacher Education since 1951 when the institution was admitted to this organization. Since 1954, the program of teacher education has been accredited by the National Council for accreditation of Teacher Education.

Approval by NCA of Teacher Education provides the privilege of reciprocity for A.M.&N. College graduates in programs of teacher education with a number of states.

Department of Health, Physical Education and Recreation

Under the Chairmanship of Dr. Kenneth L. Johnson, we have the department of Health, Physical Education and Recreation. The rapid growth of the department has been through Dr. Johnson's sound philosophy and dedication.

The role of the department is to train qualified persons for service in Health, Physical Education and Recreation and related areas. Among some of the major functions of the department are:

1. To provide a professional curriculum in teacher training in Health and Physical Education for secondary school teachers.
2. To provide a professional curriculum for community recreation.
3. Training Recreational leaders for playground supervision.
4. Training athletes, athletic coaches, and officials.
5. Conducting such special activities as Health Workshops and Recreational Institutes.
6. Providing consultant service to workers in various areas within the scope of the program of the college.

One of the most outstanding programs carried on each year by the department is the intramural activities. Under the direction of Mr. C. Bradford, a new member of the department, this program has attracted hundreds of students to some phase of athletics.

The program that has been projected for the next ten years, will provide new facilities including:

1. All weather tennis courts.
2. Olympic style swimming pool.
3. Ten lane Bowling alley center.
4. Two golf putting greens.
5. A new Health, Physical Education and Recreational Building.
6. A new football stadium.

Business Office

Because of the size of the student body, the business office maintains a large staff, which includes students majoring in business. The students work on a part time basis and help in levying all students fees, keeping records on students' accounts, controlling students' salaries and compiling monthly and annual data.

This office is spearheaded by Mr. Sylvester Early, who keeps an accurate account of the student's financial obligations and assists the president with the functional budget.

Due to the lack of sufficient room the Business manager faces many tasks such as handling purchasing, exercising control over contracts, deeds, bonds and insurance.

Hardwork and Business is the theme of these hard working people, not to mention the service that is given to A.M.&N. student body.

Registrar's Office

The Registrar's Office shoulders a tremendous responsibility because all of the information must be accurate and prompt. This is made possible by an efficient staff.

Mrs. Della Phipps, the Registrar, and her staff are responsible for helping to keep accurate records of the college, preparing the honor roll, preparing individual evaluations for the students, and compiling individual rank in classes. The Registrar's office also keeps a record of each student's address, grades, and attendance.

With all of these tasks to perform the Registrar's office still spends countless hours preparing transcripts for many students who have graduated and those who are making preparation to graduate.

Miss Kwurly M. Floyd

The Student Personnel Office

The Student Personnel Office makes provisions for a safe, healthy and satisfactory environment for living, working and studying while in college. The office of Dean of Women and Dean of Men serve as counseling centers where students might share their personal and social problems.

These two offices also bear the major responsibility for setting and enforcing the standards for student conduct. The problems of securing, regulating and administering on campus student housing facilities are also their functions. The Coordinator of Off-Campus performs the same function for students who do not reside in campus housing facilities.

The development of the Vice President of Administration and Student Affairs has strengthened the professional status of the Student Personnel Office. For today, it provides a greater and better improved quality of service to be used by the college.

Testing Center

The Testing Center is designated to "test." The Testing Center offers many tests to graduating seniors and entering Freshmen. Among these tests are, Miller's Analogus, the Graduate Record Examination and the National Teacher's Examination. The testing center administered all of its regular standardized examinations such as: Entrance Examinations, GRE, CMA, KPT, Selective Service Examination, Student Teacher Battery, and many others. The testing center is headed by Dr. R. V. Green and with the aid of his staff, they make it possible for students to get top quality service.

Dr. Rudolph V. Green
Director of Testing and Counseling

Competent student worker assists in the business production in the data processing center.

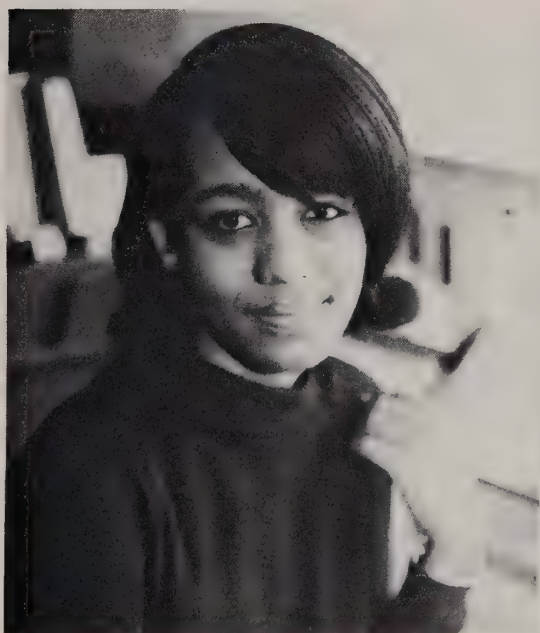

Dr. Calvin Matlock — Director of Data

Data Processing Center

The Data Processing Center has several IBM machines that are used in the preparation of the many reports that have to be made to different agencies.

With the large enrollment and increased demands by the state and federal agencies for reports on large amounts of finances received and disbursed by administrative offices on campus made it necessary to install the Data Processing Center. This Center makes record keeping easier, faster, and more accurate.

The basic principle of IBM Accounting is that information is recorded once on an IBM card which is then available as required to give desired results of machine processing. Data is registered on IBM cards in the form of punched holes which when completed and verified produce a lasting record which may be processed at machine speed to obtain desired or needed results.

Miss M. J. Hubbard — Key Punch Operator

Mr. Robinson — IBM Operator

Placement Bureau

The Director of the Placement Bureau is Mr. H. G. Barnett. He, as well as his co-workers, does all he can to aid all students in seeking financial programs.

The Placement Bureau performs many important services. It gives National Defense Loans, Work-Aid, and Student Grants as well as assistance programs.

The Placement Bureau is advancing gradually because of its increased efforts in giving the best possible services to all of the students who need aid. The Bureau sponsors many different programs, one of which is a Federal Career Day. On this day, students are helped in securing jobs as well as informing them of various available career opportunities. These are only a few of the many tasks the Bureau performs.

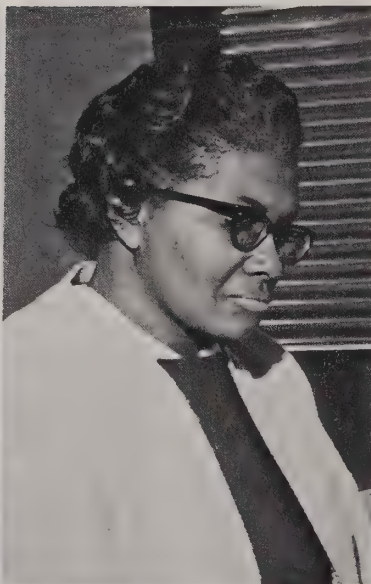

The Placement Bureau also consists of a secretary-stenographer, and an assistant Administrator supplemented by efficient student workers, who help keep the Bureau running smoothly.

Infirmary

In the infirmary, the weaker students of this generation spend hour after hour being treated for various pains and illnesses. The infirmary offers around the clock service for the students.

The infirmary includes two five-bedroom wards, two private rooms, and two semi-private rooms. It includes a central kitchen, a general office, nurses' office, and a special section for the college physician and dentist; included also is a modern x-ray unit in the laboratory.

Since the large increase in students, the personnel in Browne's Infirmary has plenty of work on hand; part-time Doctor R. F. Bryant and Mrs. M. D. Searles, R.N., are kept quite busy.

Campus Security

The A.M.&N. College Security Service is under the supervision of Mr. Willie Perkins, Chief Security Officer.

The specific duty of the college's security service is to maintain an effective security program for the entire campus. The duties involve supervising and maintaining traffic flow during school hours and at special events, investigating misdemeanors or other illegal occurrences, enforcing campus regulations as described by the personnel office, organizing and supervising security services for special events, and performing in case of emergencies pertaining to behavior unbecoming to college students and not in step with good public relation and in keeping with the good image of the college.

Library

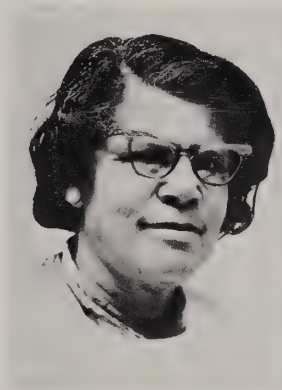

Mrs. J. P. Howard, Head Librarian, and her staff of well trained librarians and student assistants provide courteous and efficient service to the students.

The new Library provides a variety of uses for the students, such as, consulting general reference tools, working alone at a private desk or carrell, typing without disturbing others, talking over one's library problems with fellow students or faculty members, smoking, listening to records, browsing among books, reading a current magazine in a comfortable lounge-type chair, or examining exhibits designed to stimulate the curious or to exploit library resources.

The new John Brown Watson Memorial Library is modern, adequate, comfortable, beautiful and most of all functional. The students have found the new library different from the old one in that, it provides more adequate space, and it is more comfortable. The John Brown Watson Memorial Library is an excellent place for study.

The Student Union

The Student Union Building is located on the west side of the campus. This two story brick-glass structure was named in the honor of our beloved president, thus called the Lawrence A. Davis Student Union Building. This structure houses the college cafeteria, student lounge, director's office, bookstore, post office, snack bar, forum room, billiard room, student's activities office, alumni office, the Baily Memorial Room, television room, board room and an outdoor terrace for recreation or just watching the moon and stars.

The building serves as a Community Center for students, faculty, and other family members whose feet trod across the threshold of the Student Union Building. It promotes social, recreational, and educational, and cultural opportunities.

Comfortable seating is provided for students who wish to mingle socially or listen to the sounds of the inter-communication, public address, and music system. Colorful motifs beautify the entire building.

For recreation there are game rooms, television, snack bar, and the terrace for dining in the moonlight or to look across the beautiful campus of A.M.&N. College. The student feels lost without the Student Union Building of Arkansas A.M.&N. College.

Mrs. Vhaness B. McHenry
Director of the Student Union

Cafeteria

Among the many distinguished features on campus, the Dining Hall seems to be the most popular building of the day.

Its A. R. A. Food Service is equipped to accommodate approximately 3,500 students daily. It is set up to serve approximately 700-800 persons at intervals and has an employment of 100 people, consisting of 25% student workers.

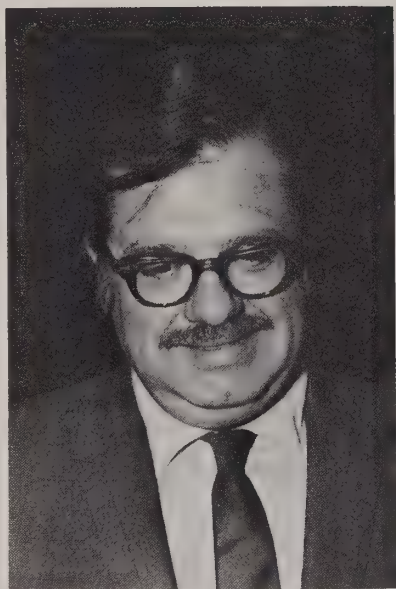

The food service uses the cafeteria style of service to meet the students needs as well as the buffet style for special occasions such as faculty banquets, Christmas parties, Board of Directors banquets and many, many more.

The food service has also participated in many of the college's activities such as outdoor picnics during the summer months, Halloween parties, New Year dinners, Christmas parties, etc. under the supervision of Mr. W. E. Langford.

The principal managers are: Mr. W. E. Langford, director; Mr. E. A. Trimble, food production manager; Mr. William Oliver, chief. These people put forth all of their efforts in satisfying the students' needs.

Lieutenant Colonel, Alfonzo B. Battiste
 Professor of Military Science
 Chairman of the Department of Military Science

The Department of Military Science

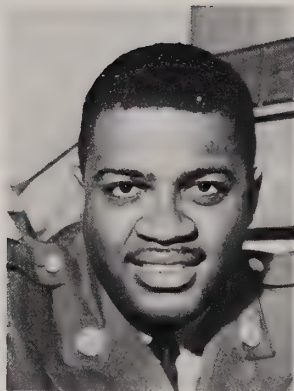

Upon the shoulders of Lieutenant Colonel A. B. Battiste fell the responsibility of the organization and development of this program. Under his supervision we have successfully completed the first year of the Military Science Program.

We witnessed crack performance of the military Drill Team and also performance of the new L. A. Davis Drillers who were included in our Homecoming Parade.

The A.M.&N. Cadet Corps now consists of some 800 cadets in which that pride, confidence, and individual character attributes essentially to an officer and a leader.

The primary objective of the department is to produce junior officers, who by their education, maturity, and inherent qualities exhibit a capacity for leadership in the Army. Instructions cover fundamentals common to all branches of the service.

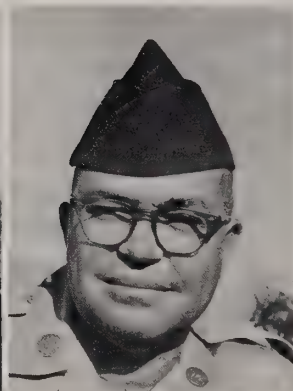

The concept of Military Training at institutions of higher learning had its origin at Norwich University, in 1819. Today the United States Military Academy has over two hundred and eighty proud institutions which are dedicated to the education and training of prospective Army officers and future leaders of tomorrow.

Division of Freshman Studies

The Freshman Studies staff is composed of individuals trained in the art of effective guidance. The staff strives, through individual techniques, such as counseling, to develop the kind of persons who seriously believe that college is a four-year investment of time, energy and money. The division offers cultural enrichment courses to provide the impetus to direct the learning and living experiences of freshmen in such a manner that the investment in college education will bring profitable dividends.

Many freshmen look to the Freshman Studies Division as a "home away from home." The parental atmosphere which exists in the Freshman Studies office offers freshmen and upperclassmen self-direction during their college tenure.

All students entering the college as freshmen are matriculated in the Freshman Studies Division which is headed by Dr. Victor D. Starland. The Freshman Studies Division is that part of the A.M.&N. College family that devotes its energies to the successful adjustment of new students to the total college environment.

The staff subscribes to the philosophy that each student who comes to the college has a right to expect the college to assist him in discovering himself and in making those adjustment demands of him in his new life.

The Freshman Studies Division has stood as a beacon light for incoming students for over eighteen years. Truly, this division has carved its niche in A.M.&N. College's log.

“69”

YEAR

“70”

Retreaters listen to panel discussion.

RETREAT IS CHALLENGING

The 1969 Retreat was another example of the implementation of the basic philosophy of A.M.&N. College, a philosophy that has been in part, responsible for much of its growth and prosperity. Such philosophy encompasses the idea that a college must not and cannot forget its students and that opportunities for faculty-student relationship should be provided whenever possible.

It further states that the student should be included in the activities and administration of any educational institution.

This year's Retreat was held at Camp Couchdale in Malvern, Arkansas. It was characterized by intellectual discussions, recreational activities, and a warm and relaxed faculty-student relationship. In a congenial and purely informal atmosphere the faculty and students heard lectures,

dined on a wholesome and tasty diet which was prepared by the retreat refreshment committee and engaged in a variety of fun and games.

The principle speakers for the retreat were Dr. Lawrence A. Davis, Mr. Ramos, Mr. Moore, Dr. R. C. Davis, Dr. J. B. Johnson, and city representatives, provided retreaters with issues - National and State. In addition, they gave retreaters more than an answer to their questions on the Issues and Challenges ahead for A.M.&N. College, which was the theme of this year's Retreat.

In totality, the 1969 Retreat served as a memorable occasion that provided incentive and initiative for all concerned to face the upcoming school year with renewed vigor and enthusiasm.

Miss "A" State poses with Prexy of S.G.A.

CROWNING MISS ARKANSAS STATE

The 1969 Coronation Ball was one that left an indelible imprint upon the minds of all those who attended. It was a subtle affair, spiced here and there with excitement.

The dream of a valiant and beautiful lady being crowned matures into reality as the vision of the Coronation Ball finally comes into focus. The affair is sponsored by the Student Government, and it is planned by a special appointed committee of responsible students and faculty members, who, through their co-ordinated efforts and the pooling

of ideas, manage to make this the outstanding social event each year. The 1969 Coronation Ball was certainly a unique representation of this annual event. Although much of the old tradition was left to make the Ball seem definitely ours, there were many new facets of enjoyment added to intrigue and fascinate the spectators as our gracious lady of the year, Miss Mattie Smith was crowned Miss Arkansas State.

HOMECOMING

Colorful and Glamourous

Homecoming 1969 was action, movement, glamorous, and exciting. The parade, one of the most colorful in the nation with its splendid assemblance of bands and floats, and led by the "Marching 100", started promptly at 10:00 a.m. The band then proceeded to put on a glittering display of finesse and skill as they strutted, sometimes walked, and marched their way into the hearts of thousands of onlookers.

People from all walks of life congregated to create a mood of anticipation, and belonging. The laughter, the shouts and the cries of sheer pleasure rang out around the halls, the dormitories and the union. People forever walking, shaking hands, slapping backs and beaming with jovial attitudes were most fascinating in their entirety. There were some going some where; others were going nowhere, yet ,all of them were moving with that happy look of those who feel that they belong. Such was the nature of homecoming at A.M.&N. this year.

A.M.&N. Almost Made It

Headcoach Vannette Johnson and his Golden Lion gridsters almost made it.

These four words sum up the football game in Pumphery Stadium Saturday afternoon, between the Arkansas A.M.&N. Golden Lions and Prairie View A.&M. Panthers.

Prairie View prevailed 22-14 in this Homecoming game, but the score doesn't tell the whole story.

The Lions kicked off to the Panthers and behind the sloshing run of Jerry Jefferson, A.&M. quickly went ahead. The touchdown drive covered 71 yards and Jefferson gained 39 of these. With only seven minutes and 20 seconds gone in the ball game, things looked rough for the folk in Golden Lion country.

The Lion defense stiffened and held the Panthers offense for the rest of the first half, but the A.M.&N. offense couldn't do anything with the A&M defense.

Even though the home team was behind as the teams filed into the dressing room for intermission, the crowd spirit was still high. Everyone was remembering how the Lions had come from behind to defeat a powerful Texas Southern team the week before.

With time running out in the third quarter James Montgomery replaced Donald Belle at quarterback. On the first series of plays that Montgomery ran from the signals lot he had four passes muffed that could have been caught. He could not get the Lions out of the hole, but Odis Crudup did with a 72 yard punt that rolled dead on the two yard line.

An aroused A.M.&N. defense held and the panthers used a quick kick back-fired.

The Lions last touchdown drive began on their own 46 with Montgomery passing to George Belton to get it started.

REGISTRATION

A.M.&N. College opened its doors to 3,411 students at the beginning of the Fall Semester. Orientation and registration rushed off a new school year that promised to give lasting memories - exams, friends, activities, and Homecoming.

Freshmen and upper classmen were introduced to the hectic three-ring circus commonly known as registration. Endless lines confronted and baffled all as they began the ordeal of registering. Dismal faces of Freshmen looked hopefully to upperclassmen for encouragement, but there was none to be found. They too, were confused and in need of encouragement.

Mr. Hartfield and students face the problems of registration.

GRADUATION

The class of 1968 made history as being the largest class to ever graduate from A.M.&N. College. The members of the largest class in the history of A.M.&N. College demonstrated that they had again sustained the heritage which is a part of every A.M.&N. College student; a heritage which seeks to implant into every heart the spirit of A.M.&N.'s Philosophy.

Who's Who Among Colleges and Universities

Each year national recognition is given to a group of young men and women who have shown good citizenship, academic excellence and sound moral character. Such persons, in addition to possessing such qualities, must exemplify promise for future usefulness and are termed "Who's Who Among Students in American Colleges and Universities."

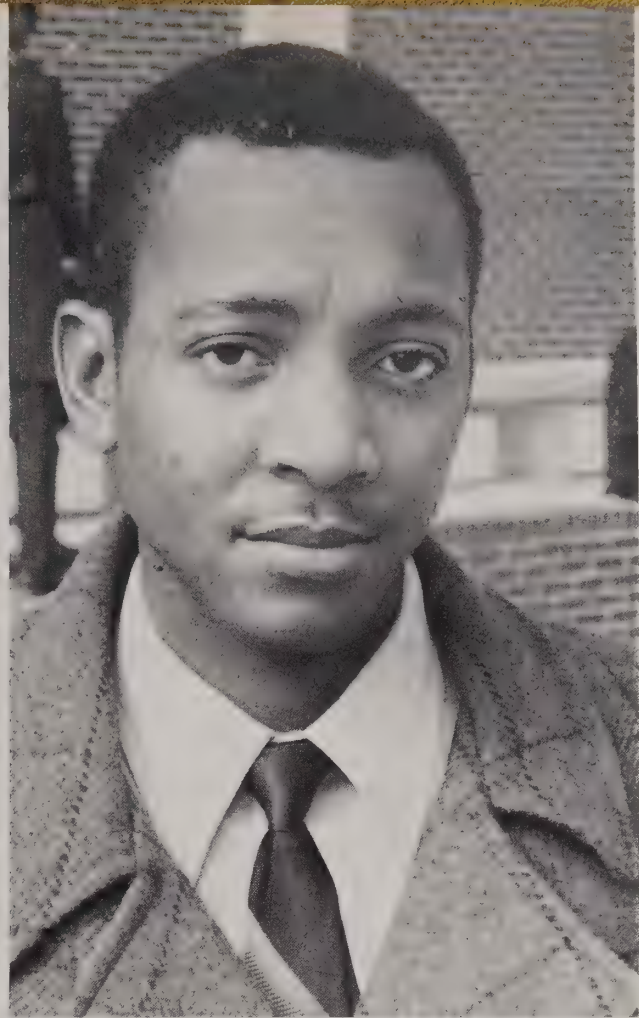

Such individuals are chosen by a campus committee that exercises fair play and careful scrutiny in their selections.

On the following pages you will see those persons and a brief descriptions of their qualities that merited them such high honor.

Joyce Levan Campbell, pursuing a major in Elementary Education, is a native of Eudora, Arkansas. During her college years, Joyce has been active in several organizations among which are Alpha Kappa Alpha Sorority, Pan-Hellenic Council, Baptist Student Union and the Y.W.C.A. Her hobbies are drawing, dancing and reading. After a summer of relaxation, Joyce plans to enter graduate school and secure a master's degree in Special Education.

This intellectual figure shadowing A. M. & N. campus is from Dumas, Arkansas. Mazo Price has a major in Agronomy and a minor in General Science. Presently he is the President of the Senior class, member of Alpha Kappa Mu Honor Society, Agriculture Club, and B. S. U. His hobbies are sports and reading. After graduation he plans to attend graduate school.

Charles Digby—Is an Industrial Education major from Crawfordville, Arkansas. Digby's field of specialization is Electronics. Aside from being a scholar, Digby participates extensively in extracurricular activities. Among them are: Phi Beta Sigma Fraternity, Royal Knights Society, Viking Bi Fidelity Society, a member of the Student Senate, a member of several clubs such as Crittenden County Club, Vocational Arts Club and others. He is also a member of several committees. Upon graduation Mr. Digby plans to accept a commission as second lieutenant in the U. S. Army.

Intelligence and versatility are just two of the many characteristics of Waymon L. Ponds, a Sociology major from Morrilton, Arkansas. He is a member of Phi Beta Sigma Fraternity Incorporated, Alpha Kappa Mu Honor Society, Student Union Governing Board, Sociology Club, Conway County Club, and Master Council. His hobbies include hunting, fishing, and billiards.

Miss Dorothy J. Joshua is a History major from Hope, Arkansas. She is a member of the Alpha Kappa Mu National Honor Society, Current Events Club and the Arkansasawyer staff. Her hobbies are reading and coin collecting. She plans to pursue a Master's degree in English, History or U. S. History this fall and someday teach on the college level.

Mr. James E. Childs is a native of Banks, Arkansas majoring in Business Education. He is a member of Alpha Kappa Mu Honor Society, member of B. S. U., Business Club, Business Manager of Senior Class, Treasurer of Student Government Association and member of advanced ROTC Corp. His hobbies are sports and his intended future plans is to serve two years in the Armed Forces.

Miss Patricia Evon Cunningham known as "Pat" is from Roe, Arkansas. She has been most active in student life and holds membership in Zeta Phi Beta Sorority Incorporated, Home Economics Club, and the Pan-Hellenic Council. Presently she serves as Sweetheart of Phi Beta Sigma Fraternity and as "Zeta of the Year." Aside from her Home Economics major, she still finds time to enjoy music, dancing and meeting people. A perfectionist, Patricia believes that "a person who has never failed has never really tried."

Miss Earnestine Joshua is a Home Economics major with a minor in General Science with an average of 3.50 from Hope, Arkansas. She is affiliated with organizations such as: SWARC 1965-67, Home Economics Club-Senate Representative 1966-67 and Parliamentarian and a member of the Alpha Kappa Mu National Honor Society. Her subjects of interests are English, Art, Psychology and Chemistry. Her hobbies are dress designing, listening to music (modern jazz). Her future plans are to work one year and begin graduate school in the summer of 1971.

Mr. Claude Nicholson is a History major and has Government as a minor. He is from Dermott, Arkansas and has an accumulative average of 3.10. "Nick" as he is known by his associates is a member of the Current Events Club, President of the Dermott Club, Research Asst. Office History Department and a member of Phi Beta Sigma Fraternity. His future plans are to attend graduate school at the University of Wisconsin.

Miss Ruby Childs is a native of Little Rock, Arkansas. Her college years have been filled with industrious social work and civic duties. Ruby is a member of the Student Senate, Young Democrats, Alpha Kappa Mu honor society, and the International Organization. Ruby did summer study in 1969 at Yale on the Intensive Summer Studies Program (ISSP) which is an honor program.

Intelligence and versatility are two of the many characteristics describing Miss Stovall. "Berta", as called by her friends, is a native of Cotton Plant, Arkansas. She is a Biology major with Chemistry as a minor. Among her hobbies are reading, sewing and bowling. Though "Berta" is a scholar, she finds time to affiliate herself with these organizations: The Baptist Student Union, The Alpha Kappa Alpha Sorority, Inc., The Pan-Hellenic Council and Resident Assistant. Her future plans include graduate school and becoming a Medical Technologist.

Perseverance and intelligence are only two of the many characteristics that distinguishes this young man. Popularly known by his friends as "STAR", Gary Wayne Easter has been active, both academically and socially, since entering A. M. & N. College. Being a versatile person, he enjoys reading as well as all types of sports. He is the Chief Justice of the Supreme Court, a member of Alpha Kappa Mu National Honor Society, Beta Kappa Chi Scientific Honor Society (President), Alpha Phi Alpha Fraternity, Mathematics Club, B. S. U. and the Pan-Hellenic Council. Gary, a native of El Dorado, Arkansas is a Mathematics & Physics major. Upon graduation he plans to enter engineering school on the graduate level.

Talented in the art of Administrative and clerical duties, and a dynamic personality, Chester L. Thompson is a History major from Hampton, Arkansas. "Chet", as he is known on campus is president of the Baptist Student Union, Executive Secretary of the Student Government Association, Corresponding Secretary of Alpha Phi Alpha Fraternity, and Recording Secretary of the Student Senate. Upon graduation he plans to enter graduate school and pursue a degree in Public School Administration.

Miss Ruby Lee Grant is a Mathematics major from Texarkana, Arkansas with an accumulative average of 3.68. She is a member of Alpha Kappa Mu National Honor Society, Alpha Mu Gamma Foreign Language Honor Society and a member of the Mathematics Club. Her plans are to teach in the Port Huron School area, Port Huron, Michigan this coming fall.

Mr. Freddie Lee Barkley is a Mathematics Education major with a minor in Physical Science from Kensett, Arkansas. He has membership in such organizations as Phi Beta Sigma Fraternity, Viking Bi Fi Society, Mathematics Club, Future Teachers of America, and Student Union Governing Board. His favorite hobby is sports of all kind. Upon graduation he plans to enter the teaching profession for a couple of years then enter graduate school.

Making a lovely contribution to A. M. & N.'s family is the charming Miss Ceola Davis, a senior from Dermott, Arkansas with a major in Business Education. She, also, has broadened her scope with not only one minor but two: Education and English. During Ceola's attendance here at A. M. & N., she has participated in many activities such as: Treasurer of Freshman Class; sweetheart, secretary and treasurer of the Dermott Club, a member of the Spotlights Club, B. S. U., Y. W. C. A., and she has served in the capacity of Basileus and Anti-Basileus of the Alpha Kappa Alpha Sorority.

Miss Juanita Kimball is a History and Political Science major, the second ranking student of the Department, secretary of the Current Events Club, member of the Alpha Kappa Mu Honor Society, contralto soloist in the Vesper Choir, staff of the Arkansawyer, member of the off-campus club, and Zeta Phi Beta Sorority. Her accumulative average is 3.45.

Garland Harold Battle, a senior and native of Tuckerman, Arkansas, has been active in campus life since entering A. M. & N. During his freshman year he was chosen to be a member of the Honors Program and since then has held membership in such organizations as the Y. M. C. A., Student Senate, Science Club, B. S. U., Alpha Phi Alpha Fraternity, and as an Advisor of the Student Government Association. His major is Biology and he enjoys fishing, hunting, reading, traveling, billiards, and hiking. Soon after graduation Garland plans to pursue an advanced degree in the Health Sciences.

Miss Delois Jean Marks is a native of Pine Bluff, Arkansas. She is a senior at A. M. & N. College with a major in Business and a minor in Accounting. Her accumulative average is 3.60 Miss Marks enjoys sewing, reading and drawing. She is a member of Sigma Gamma Rho Sorority and also the Off-campus Club. Her future plans include going to graduate school and to obtain a masters degree in Accounting. She wants to become a Certified Public Accountant.

Mary E. Trotter Billingslea

A bright smile and an air of dignity are two of the qualities at A. M. & N. College include membership in Alpha Kappa Alpha Sorority, Current Events Club, Off-Campus Club, and News Editor of the *Arkansawyer*. She also received a Scholarship from the Intensive Summer Studies Program and studied at Harvard and Yale Universities. Her future goal is to attend graduate school.

Edith Lynn Bobo—Edie is the example of an outstanding coed. She has exemplified the qualities of poise, charm and intelligence. She has proven her versatility and ability to perform in several capacities through her work with the Vesper Choir, M. E. N. C., Ladies R. O. T. C., Advisory Committee and Delta Sigma Theta Sorority Incorporated. Currently, this personable lady of Memphis, Tennessee is holding the title of "Miss Senior." Even though the field of music and her various activities keep her quite active, she is often seen devoting time to sewing, bowling and dancing.

Miss Sandra Cecelia Miller comes from Stamps, Arkansas and is majoring in Institutional Dietetics. She plans a career as a therapeutic dietitian and wants to do further study in foods and nutrition. She enjoys sewing, reading, cooking, and listening to music. Besides these hobbies she also finds time to participate in the following organizations: Alpha Kappa Alpha Sorority, the Home Economics Club, and Alpha Kappa Mu Honor Society.

Mr. Manuel R. Kelley is from Marvell, Arkansas majoring in Biology. He is a member of Alpha Phi Alpha Fraternity, Alpha Kappa Mu Honor Society and the Pre-medical club. His hobbies are photography and reading. His future plans are to enter medical school and become a general practitioner.

Mr. Willie Burnell Hurt is a native of Memphis, Tennessee majoring in Music Education. While at A. M. & N. he has served as President of Omega Psi Phi, president of the College Band, President of the Pan-Hellenic Council and participated in the Arkansas 14th Annual Intercollegiate Band. He enjoys bowling, meeting interesting people and listening to music. After graduation he hopes to go to graduate school and further his study in Music Therapy.

Mr. Andrew Johnson, Jr., is a native of Lewisville, Arkansas majoring in Agronomy and minoring in General Science. He is a member of the Advanced ROTC program in which his rank is Major, a member of the Phi Beta Sigma Fraternity, Agriculture Club, B. S. U. and is currently the Editor of the 1969 and 70 LION. His intended future is that he plans to be commissioned as a Second Lieutenant in the summer and serve his two years in the Armed Forces.

Miss Mattie P. Smith is A. M. & N.'s beautiful Miss "A." State. Mattie, a native of Pine Bluff, Arkansas is pursuing a major in History. A member of Alpha Kappa Alpha Sorority, the B. S. U. and the Pine Bluff Club, Mattie takes an active interest in campus affairs. This Queen believes that "every man possesses within himself the ability to become whatever he wants. These abilities, however, will not manifest themselves unless one has the will to succeed and works unceasingly." She plans to attend graduate school and pursue a master's degree in Political Science.

Miss Mary Jacobs is a Home Economics major from Pine Bluff, Arkansas. She is a member of the Alpha Kappa Mu Honor Society, American Home Economics Association, Student Senate, off-campus club and her hobbies are dancing, sewing, roller skating. Her future plans are to attend graduate school, major in Art and Design. Later, she hopes to open her own dress shop specializing in Courier designs along with her individual creations.

Julius Gettis Anderson is a native of Brinkley, Arkansas majoring in Physical Education with a minor in General Science. He is considered by his associates to be unassuming, gentlemanly, scholarly, and at the same time masculinely handsome. Julius has a wide range of campus activities, including resident assistant counseling, Baptist Student membership, Vice-President of Hometown Club, member of John Brown Watson Sunday School, Sports editor for the AR-KANSAWYER, and a member of Alpha Phi Alpha Fraternity. His hobbies are sports and sports writing. His favorite subject is English. Upon graduation Mr. Anderson plans to pursue further work at the University of Arkansas.

R. C. Laird hails from Newport, Arkansas, with a major in Biology and Chemistry and a minor in Physics. He is presently serving in the following capacities; President of Newport Club, Member of B. S. U., Viking Bi Fi Society, Alpha Phi Alpha Fraternity, Tau Iota Mu Medical Society, Governor Youth Council, Mayor's Advisory Council and he now holds the position as President of Student Government Association.

A. M. & N. Provides R. O. T. C. Program For Campus Men

The Army Reserve Officers Training Corps programs offer the college man a chance to earn a commission as a Second Lieutenant in the U. S. Army. Classroom and field training in Military history, tactics, and Army organization and administration provides the Cadet with the technical knowledge necessary for him to perform as a skilled soldier. A six-week summer camp at Fort Sills during the Cadet's last summer prior to their commissioning, serves as practical applications of their learning.

The men in R. O. T. C. also conduct social events during the year. The Annual Military Ball and additional social events.

Men in R. O. T. C. also take part in athletic competitions on campus.

Officers are promoted annually

Jewel Brown (l) and R. C. Laird (r) discuss SGA matters.

Roy Charles Laird is President of the Student Government Association.

Student Government Office

The main office from which all student government action matriculates is known as the Student Government Association—the S. G. A. the mediator between administration and student, this office utilizes its power to the utmost potential and stands unyielding in behalf of you, the student.

The S. G. A. is patterned after the constitutional model given us by the Federal government. There is a judicial, executive, and a legislative branch.

The executive branch is headed, of course, by the Student Government President—this year the lead man is Roy Charles Laird. Next in line to the President is the Vice-President, Jewel Brown and then we find a departure from the federal way of doing things. The S. G. A. has a treasurer and a secretary. This year's office holders were James Childs and Jacquelyne Peebles, respectively.

The S. G. A. office is an invaluable asset where student problems and difficulties present themselves. Serving as a mediator between students and faculty, it paves the way for recreational and academic improvements in the life of the students and provides them with one adequate voice in the affairs of the college.

In total aspect, the S. G. A. is the voice of the students, it is the mediator between faculty and students; and above all, it is a means for clear, wholesome college living.

Andrew Johnson Jr. is editor-in-chief of the '70 LION.

The Lion

Monday night and semester break . . . final deadline was March 1. Pushing homework, basketball games and other activities aside, members of the Lion Staff plugged away in their upstairs office in the Union Building. Poring over pictures, indexing names, and composing writeups, staff members began to realize the work that goes into producing a yearbook.

Pictures strewn over the tables seemed to have no meaning until Editor Andrew Johnson wove them into a story. Other staff members then captioned pictures, typed copy, and drew up layouts. These faithful members were: Ervin Lee—Associate Editor, Eloise Rodgers—Secretary, Rugenal Rich—Assistant Secretary, James Sargent—Business Manager, Raymond Hart—Sports Editor, Alberta Stovall—Organization Editor, and Minnie Alexander—Copy Editor. The typists were: Peggy Myers, Ruth Martin and Ruby Black.

Putting together pictures, and words to tell a story can be a tedious task, it means multitudes of problems, hours of work plus sacrifices. It is because of these sacrifices that the Editor along with the staff members would like to present to the students the RESULT, The 1969-70 Lion.

The editor explains techniques of layout to interested students.

An intricate part of the total A. M. & N. College family are the Greek Honor Societies and Social Service Organizations. They are composed of faculty and students alike. The sororities and fraternities have and still are making important and vital contributions to the moral and ethical uplift of the students. By setting a fairly rigid criteria for entrance, the organizations motivate and inspire college students to develop their maximum potentialities for academic and creative performance.

They include: Delta Sigma Theta, Zeta Phi Beta, Alpha Kappa Alpha, and Sigma Gamma Rho Sororities; Phi Beta Sigma, Omega Psi Phi, Kappa Alpha Psi, Alpha Phi Alpha, and Phi Beta Omega Fraternities; Alpha Kappa Mu, Alpha Mu Gamma and Beta Kappa Chi Honor Societies; Alpha Tau Alpha, Agriculture; Tau Iota Mu, Scientific; Alpha Psi Omega, Dramatics Honor Societies; Royal Knights, Nu Gamma Alpha, Viking Bi Fi, and Viketts Service Organizations.

The basic aims and objectives of these organizations are basically the same: Moral development, good citizenship, academic excellence, and maximum development of all skills and talents. They uplift the social conditions of mankind by sponsoring and initiating charity drives and other beneficial programs.

The everyday exemplifications of such fine qualities of these people is living proof that the instructors and administrators at A. M. & N. College have done an exceptionally good job in developing the maximum potentialities of its students. Such organizations are a must for a well disciplined student body and to foster and nourish their existence is of the utmost importance.

Golden Lions Take Opener Dropping Lincoln University 31-14

"How sweet it is" agreed a happy class of Golden Lion partisans referring to A. M. and N.'s 31-14 revenge victory over the Tigers of Lincoln University.

It was a perfect night for football at Pumphrey Stadium as Larry Bankston was preparing to kick off to the Tigers. His first attempt was to the 43-yard line and was brought back when a fly went down. His second attempt was downed on the 15-yard line.

It's been said that you can tell a team is anxious if they jump off sides at the beginning of the ballgame. The defense of the Lions was ready as they jumped off sides three times in the first series of downs after kicking off to the Tigers.

The defense settled down and the Tigers had to punt. The ball rolled to the 45-yard line of the Lions and on the first play from scrimmage, Quarterback James Montgomery fired a 55-yard scoring pass to Tommy Scrubbs. Larry Bankston split the uprights for the extra point.

The Tigers scored after driving to the Lion 17 when a pass went through the hands of Elton Taylor and was caught in the end-zone behind him. The Tigers missed the PAT.

Lincoln went ahead in the second quarter when a short Odis Crudup punt was carried in for the TD before most of the defenders knew what had happened.

A. M. and N. quickly went back in front when fullback Charles Harkless went to work. Just before the half ended, the Lions led 21-12.

Coach Van Johnson's squad quickly put the game out of reach when they marched from their own 32 to pay dirt.

On offense the Lions got some outstanding plays from Montgomery, Scrubbs, Love, Harkless and tackle Douglas Cloman.

The wrecking crew, Arkansas defense unit, was paced by defensive back Terris Harris, tackles Charles Burrell and Manuel Sistrunk.

Golden Lions Lose 13-7 Heartbreaker To Powerful Delta Devils

The game was the Southwestern Athletic Conference opener for the Lions. The Lions scored first when linebacker Larry Jenkins intercepted a Mississippi pass at midfield and returned it to the Devil's 23-yard line. Minutes later, sophomore quarterback James Montgomery hit halfback Otto Love with a six-yard scoring strike.

Mississippi Valley came right back and marched 90 yards to paydirt to tie the score.

Following a 7-7 halftime deadlock, the Delta Devils broke loose in the second half to edge the Golden Lions 13-7. Charles Hill kicked two second-half field goals to lead Mississippi Valley State College to a come-from-behind 13-7 win.

Asa Stevenson (82) succumbs to defender.

Golden Lions Outslug Jackson State 34-25

Nearly 5,000 spectators at Pumphrey Stadium watched Arkansas A. M. and N. overcome a staggering 190 yards in penalties to slug out a 34-25 Southwestern Athletic Conference Victory over Jackson State.

For the Lions it was strictly a ground game as fullback Charles Harkless and tailback Otto Love repeatedly ran off huge chunks of ground on end sweeps behind an aggressive offensive line. Harkless, who entered the game as the second leading rusher in the conference, finished the night with 212 yards on 36 carries. His running mate Love followed with 122 yards on 21 carries.

A. M. and N.'s ground game was so successful that the passing attack was used only seven times. Once it resulted in a 89-yard touchdown for the Lions, but on another occasion it gave the Tigers a 55-yard scoring pass interception. The win was the second for the Lions with one loss to their credit.

Southern Blasts Golden Lions In Sound 40-19 Defeat

Halfback Howard Ellis, a 9.4 sprinter, used his speed to return the opening kickoff 99 yards for a score and Southern University went on to blast Arkansas A. M. and N. 49-19, handing the Lions their second conference setback.

Following Ellis' return, the unbeaten Jaguars continued to apply offensive pressure to the Lions' defense and by half-time the score was 34-6.

Speedy halfback Lewis Porter broke two long scoring runs against A. M. and N. in the first half. Porter raced 52 yards for one score and 33 yards for another.

The Lions scored in the second quarter when flanker Johnny Edwards took an 8-yard scoring pass from reserve quarterback James Montgomery.

Fullback Charles Harkless scored both of the Lions' touchdowns in the last half. Harkless went 1 yard for a score early in the fourth quarter, then took a screen pass from Montgomery after the gun had already sounded, and raced 39 yards for the Lions' final score.

Harkless led the Lion rushing attack with 79 yards in 21 carries. Porter had 89 yards in seven carries to lead Jaguar runners.

"Down here on the ground."

"Keep cool, coach."

G-Men of Grambling College Defense Smothers Golden Lions 42-0

An injury-riddled Arkansas A. M. and N. Golden Lions football team fell victim to a group of Tigers from Grambling College in a SWAC game.

The powerful Tiger offense, led by quarterback Frank Holmes, was unstoppable throughout the contest.

Grambling scored the second time they had the football and continued to assault the Lions' goal line throughout the game.

The going gets tough at the goal.

Coach Johnson awaits teams next play.

Lions Make Good Showing In Their Narrow 22-14 Homecoming Loss To PV

"We almost made it."

These four words sum up the homecoming football game, but the score doesn't tell the whole story.

Panther's quarterback Luther Hudson passed four yards to Claude Harvey for their first score. The Lions' Robert Brown, a 9.4 sprinter, blocked the PTA.

A. M. and N. couldn't move the ball after the following kickoff, and Odis Crudup punted to the Panthers.

Panther quarterback Luther Hudson again passed to Earnest Gray, who caught the ball for a 68-yard scoring strike. The Panthers conversion attempt again failed.

The Golden Lion defense, again showing its potential, gave A. M. and N. its first scoring opportunity in the third quarter when fullback Charles Harkless slashed off tackle behind a good block by Tommy McIntosh and breezed in for the score.

The Lions' last score came on a pass from Montgomery to split-end Asa Stevenson. The PAT attempt failed.

The Panthers' last score came when the Lions drive was abruptly halted by a Lion back's fumble. The Panthers went on to win the game 22-14.

The Panthers won the game 22-14.

Michael Lewis (55) and Billy Sgears (35) make spectacular play.

Tech Humbles Disappointing Lions 21-7

The Golden Lions of Arkansas A. M. and N. went into War Memorial Stadium to battle the Wonder Boys of Arkansas Tech. Tech did all of the battling and soundly thrashed a much larger Lion football team.

Tech, led by quarterback John Pirpich and a quick hitting defense, quickly established their superiority and never let up on the uninspired A. M and N. team.

Coach Don Dempsey's squad showed that they had no fear of the SWAC representative after receiving the game's opening kickoff.

The cool-headed Pirpich ran the pass-run option to perfection and kept the Lions completely off balance.

Arkansas A. M. and N. gave our fans something to cheer about midway in the third period when Billy Jones intercepted a Pirpich pass.

This play seemed to arouse the Golden Lions. They took the ball down the field with authority behind the running of Harkless and Johnny Edwards. Harkless got the Lions' only TD of the game when he rammed into the end zone from the four.

Tech's defense holds on for life.

Golden Lions Edge TSU Tiger 21-20

The Texan Southern Tigers were picked by most people to win the Southwestern Athletic Conference but they had the misfortune of playing the Golden Lions of Arkansas A. M. and N. After the dust had settled, the Lions left for Arkansas with a 21-20 victory.

Besides the heroics of Curtis, Brown, Love, Belton, Belle and Bankston, there was Asa Stevenson who caught six passes during the contest. Odis Crudup punted seven times for a 44-yard average and added to his league-leading average.

The Lions' defense was the worse for the wear in the first half, but they showed their mettle in the second half. Charlie Burrell dropped Tiger runners often in the third quarter, and Marcus Stevens made his presence felt during the entire ballgame.

Belton (89) grabs another pass.

Jimmy Sanders (4) is stopped by Tech's no. 16.

Bankston's Field Goal Sends Golden Lions to a Stunning Deadlock 23-23

The mighty Lions of Arkansas A. M. and N. College pulled the upset of the decade in the Southwest Athletic Conference as they battled unbeaten and powerful Alcorn A. and M., 23-23.

The draw was sweet revenge for a Golden Lions team that was humiliated in their homecoming game at Pine Bluff a year ago by these same Braves 53-0.

Actually, the Braves, the No. 2-ranked college team in the nation, were lucky to come away with a tie as the Lions dominated play in the second half.

To get the Braves, A. M. and N. had to overcome an early 14-0 deficit. They did this with a powerful second-half surge that left the favored Alcorn defense reeling.

The Lions never led Alcorn and when Larry Bankston booted an 18-yard field goal with 4:53 in the brutal contest, that was it for all practical purposes. Bankston's boot drew the Lions even at 23-23.

Bishop Rips Golden Lions 24-17

Two fourth-quarter touchdowns by Bishop enabled the Tigers to come from behind to down Arkansas A. M. and N. in the season's football finale.

Isaac Thomas set up the winning touchdown with an interception.

With 3:41 left in the game, quarterback Arthur McCoy hit Leonard Johnson for a six-yard scoring strike. Edward Smith added the extra point to make it 24-17.

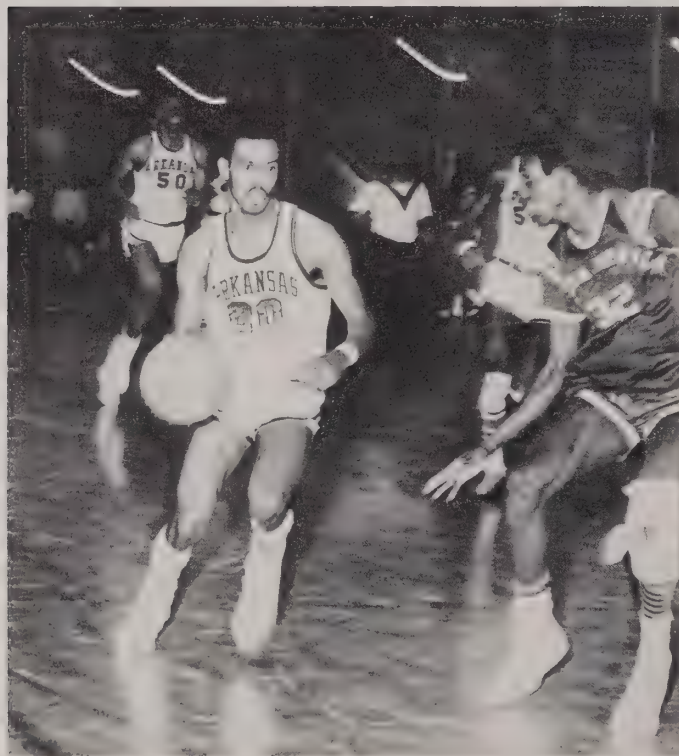

Basketball

Chilly weather brought both the participants and the spectators indoors for the Lions' ever-popular sport, basketball.

The A. M. and N. College Golden Lions fought their way through a long, rough season and made their way to a very impressive record.

Larry Duckworth (00) shoots patented hook shot.

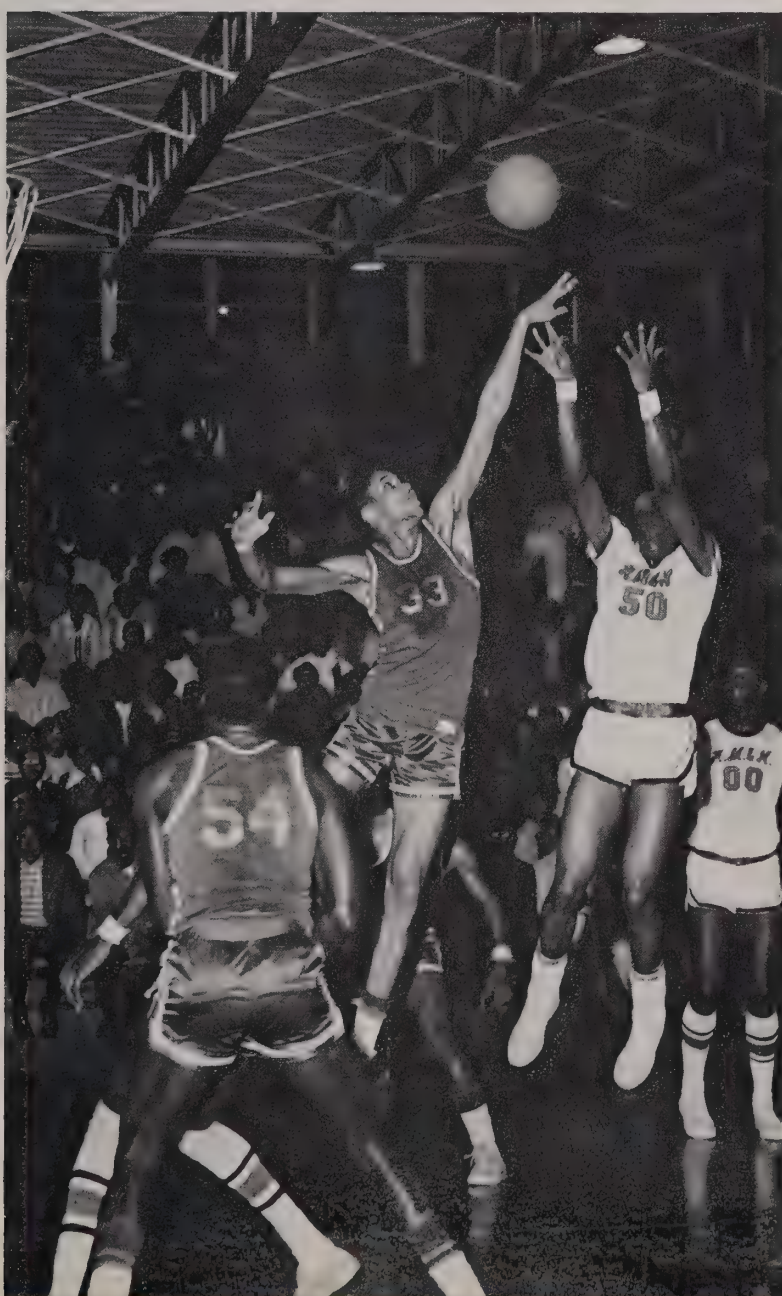

Gerald Lockett (44) prepares to drive for two.

Golden Lion Cagers Finish "trying" Season

Basketball Head H. O. Clemmons suffered through his worst season in S.W.A.C. competition as Golden Lions' head basketball coach this year. The Lions won only 6 conference games while losing 8, making this Clemmons' second losing season as a coach. The Lions ended up with a firm bid to play in the District 17 (N.A.I.A.) playoffs. Cellar distinction, which the Lions had shared at times during the season, went solely to Arkansas Tech in the final game of the playoffs.

Despite the team's defeat, Lion forwards Gerald Lockett and Melvin Bonner came of age and were named to the All-N.A.I.A. District 17 team, while Larry Ducksworth and Johnny Taylor were selected honorable mention.

At the end of the season, Coach Clemmons' team still had finished with a very impressive 18-10 record.

It was a frustrating season for Cager Fans in "Golden Lion Country" any way you look at it.

The Golden Lions lost many of their games by a few inches and a few points. Many games were decided by three points or less. It seemed as though this wasn't the year the Lions roared.

The season had its exciting wins and losses in spite of its final result, however. There was the game with Alcorn, won by the Braves in the last few seconds. Then there was the game with Jackson State when most of our players fouled out, and the Lions went on to win the game in an overtime.

Golden Lions' future looks bright to Coach Clemmons. The only seniors on the team are Arnold Jack and Melvin Bonner, so Clemmons will have to replace only two players.

GOLF

The A. M. and N. College Golden Lion Linksters fought their way through a rough season, and made their way to the top of the S.W.A.C. Golf dynasty in '69.

The college can truly take pride in this team. The team had an excellent year in '69, taking honors in all events in which they participated.

The linksters finished second in S.W.A.C. competition last year and are looking for an even better finish this year.

Richard Harris — Captain, freshman Linkster from Jackson, Miss.; led city champs, played in various open tournaments throughout the U. S.; looking forward to being one of the top collegiate players in America.

Henry Martin—Co-Captain, junior, Jackson, Miss.; All-S.W.A.C. team, 1969; All N.A.I.A. 1969; won 99 Open, Jackson, this year; finished first in A. M. and N. relays, '69.

Nathaniel Jordan, senior, Pine Bluff, Ark.; All-S.W.A.C. 1969; a four-year letterman; All-N.A.I.A. '69.

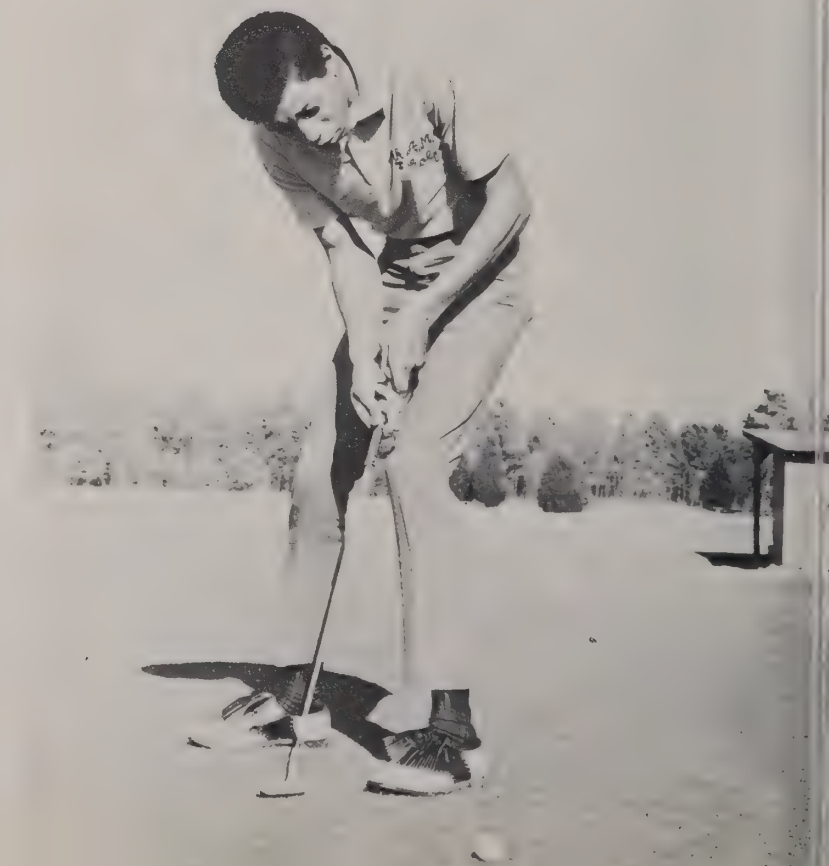

Jerome Bailes, Junior, Jackson, Miss.; All-S.W.A.C. 1968; placed second in Pine Bluff Open, placed second in Macon, Ga.; placed third in National Washington, D. C.; won first flight in San Qualles Open in Memphis, Tenn.

Charles Smith, Pine Bluff, Ark.; All-S.W.A.C. 1969; ranked as one of the top collegiate players in the nation.

Tennis

The A. M. and N. Golden Lions' Netters, with three outstanding returning lettermen and the addition of a high school champion tennis player, are expected to rate very high in conference play this season.

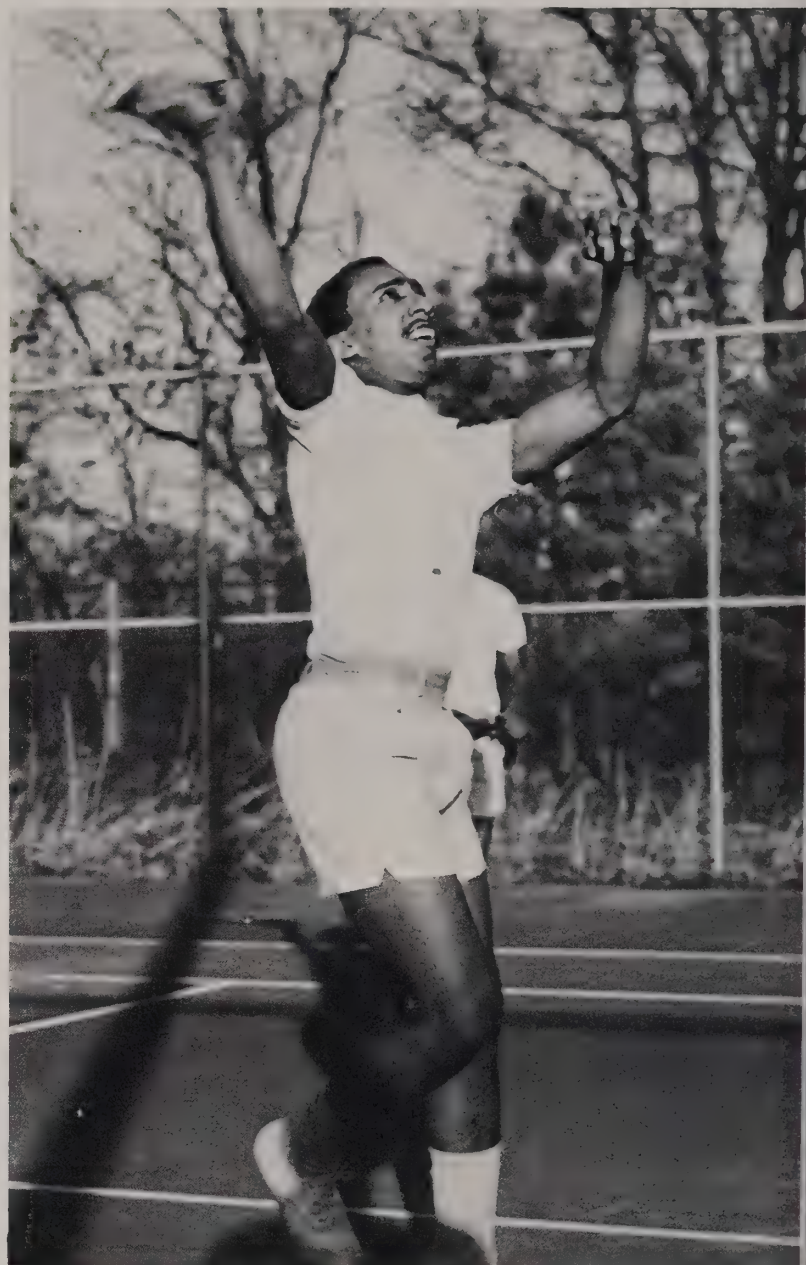

John Eaves, a junior who filled the No. 1 position several times during his sophomore year, is expected to carry a heavy load for the netters this coming season, after engaging in intensified competition during the summer.

Michael Terry, also a junior, made All-S.W.A.C. his sophomore year. Terry and his doubles partner captured the N.A.I.A. National Tennis Tournament in Kansas City, Mo. His return is certainly welcomed by his teammates.

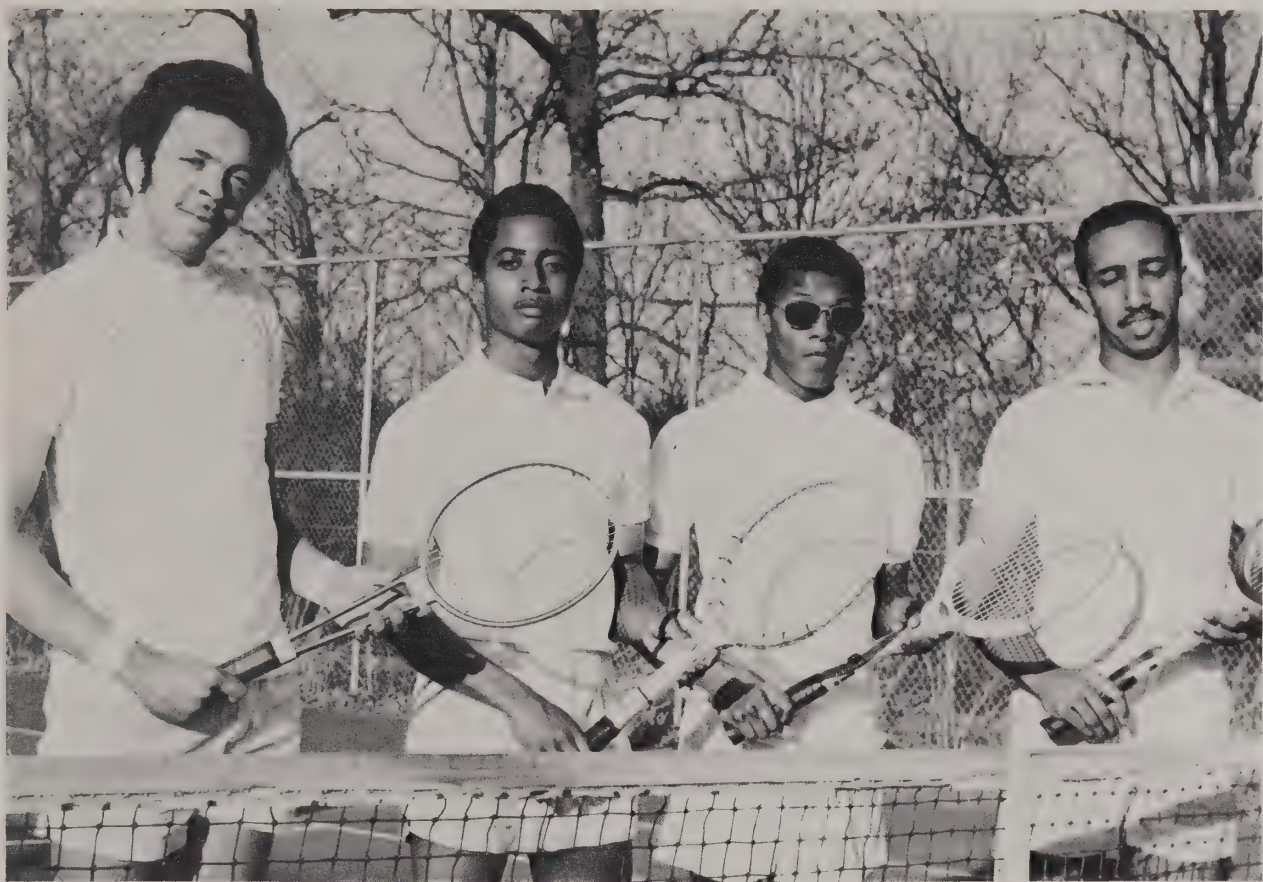

All eyes should be focused on General Ross, a sophomore who possesses some of the most remarkable shots a tennis player could have. Ross ended his regular season with only one defeat last year.

Ricky Wade, a high-ranking freshman netter, will add his talents to the tennis team, and cause the team to become a threat to every other team in the conference.

Because of his performance in high school, Wade was seeded No. 1 in many tournaments last summer.

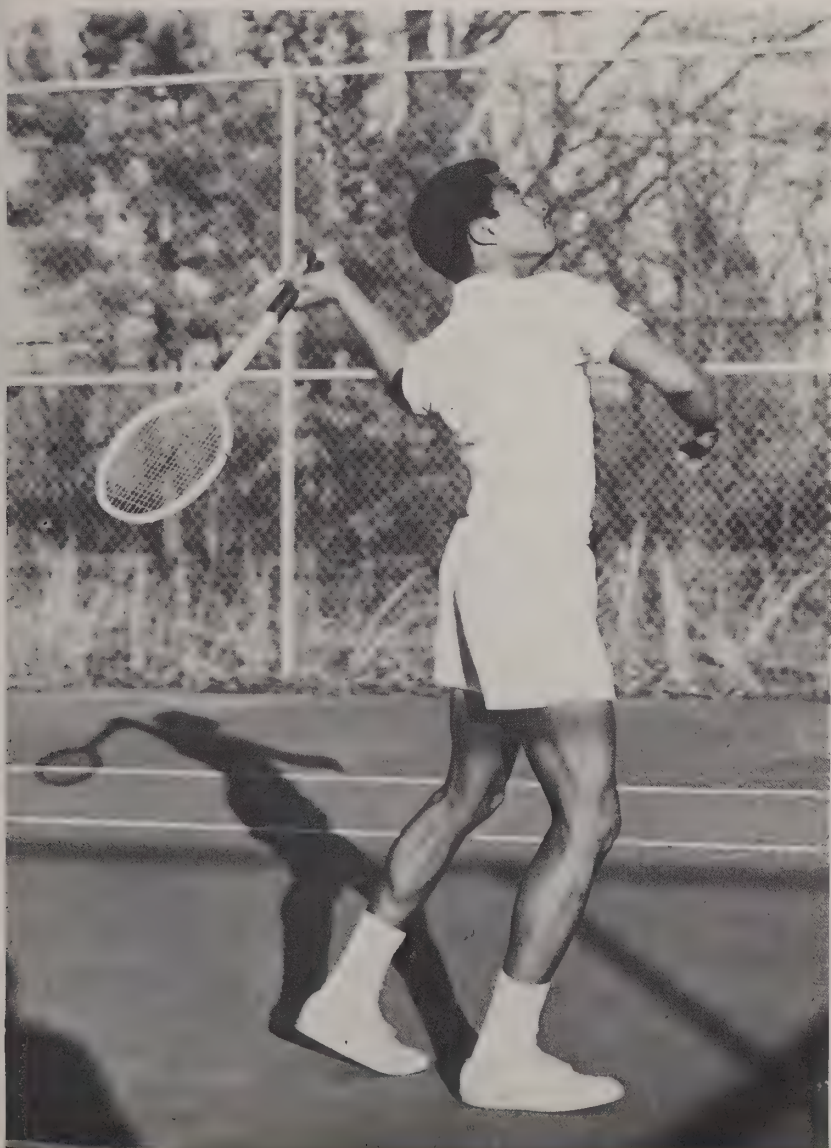

Ricky Wade demonstrates how the game of tennis is played.

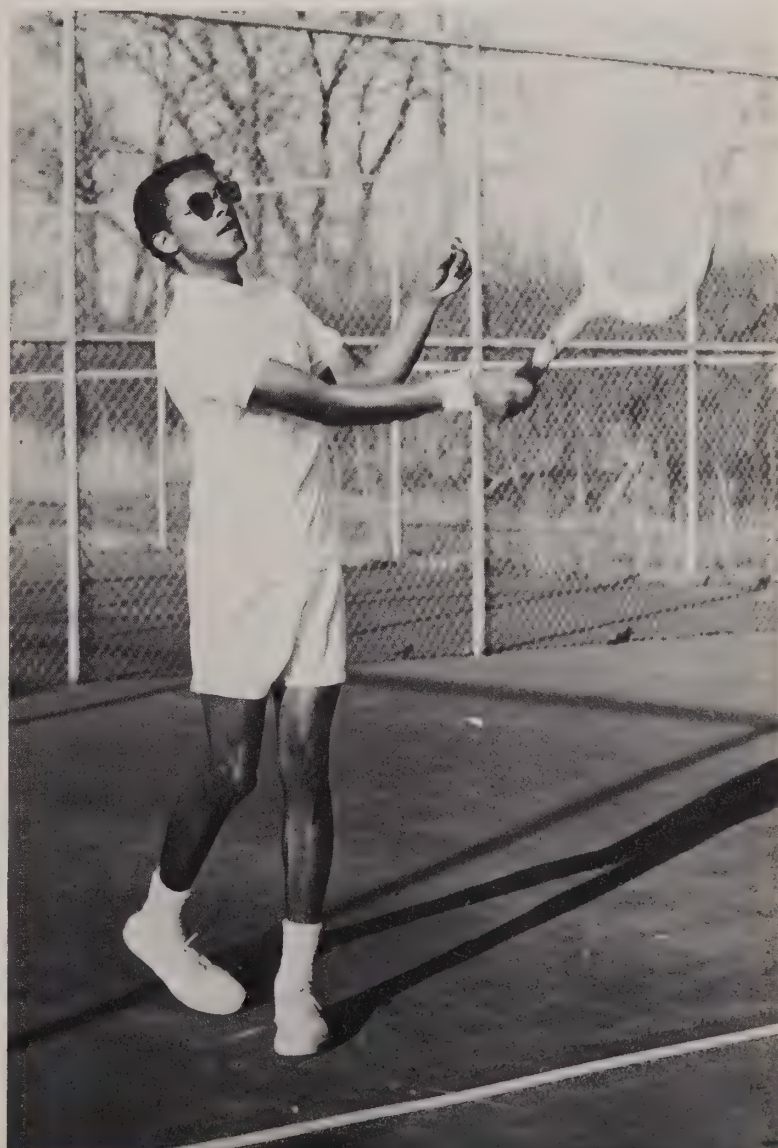

From L. to R.: Eaves, Terry, Ross, Wade.

Ross shows talent that made him a winner last season.

Terry, an all S. W. A. C. player performs with agility.

Track and Field

The Golden Lions' track team has enjoyed a very successful season over the past four years. The mile relay team has been described as the "fastest in Arkansas A. M. and N. Golden Lion history". Other noteworthy accomplishments of the team are described on these pages.

BASEBALL '70

Top Row, L. to R.: Anderson, Richards, Johnson, Holiday, Hudson, Brooks, Scrubbs, Scrubbs, Ely, Askew, Swinney, Taylor, Jackson. Bottom Row, L. to R.: Hayes, Davis, Payne, Buchanan, McCoy, Westbrook, Westbrook, Edwards, White, Alexander Lambert, Streeter, Harris.

Golden Lion Diamond Men

The 1970 season can be a winning one if we can get solid pitching from our returning lettermen pitchers—and generate more consistency at the plate. Our chances will improve if two Wiley College transfers and several of our freshman prospects develop into regular status.

Fourteen lettermen return from the 1969 campaign and they should form a solid nucleus for a team which Coach Spearman hopes can move back into title contention this year in the tough Southwestern Athletic Conference.

Topping the list of veterans are this season's seniors and tri-captains, Billy Westbrook, Larry Richard, Charles Streeter, and junior, Willie Harris.

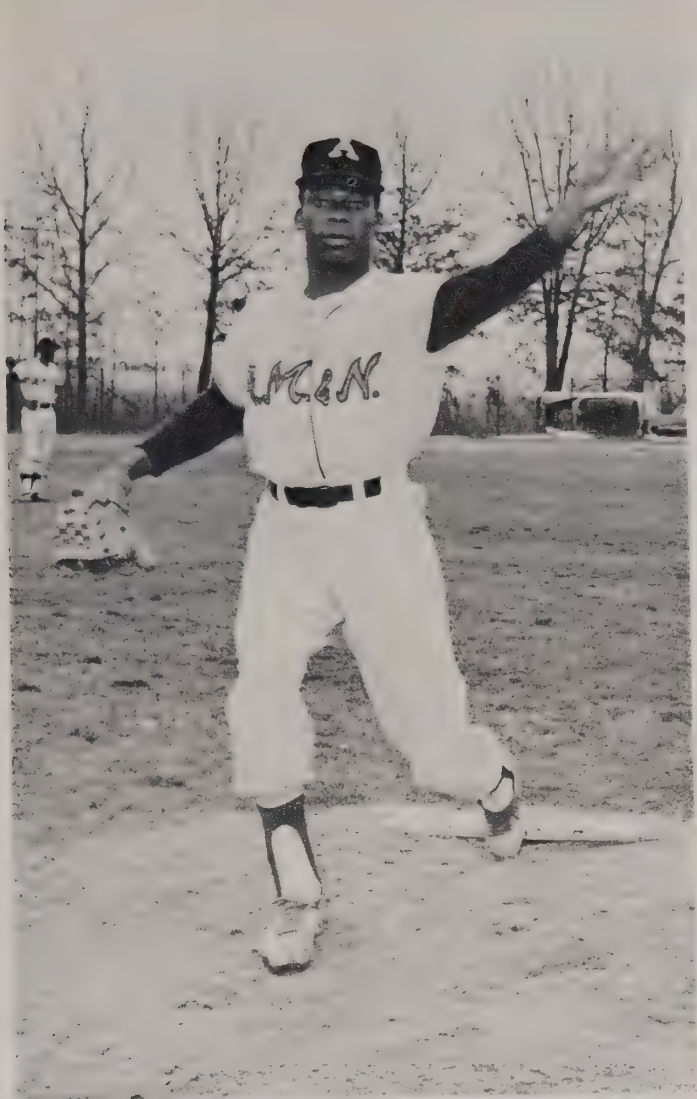

Westbrook posted a 6-2 record as a junior and will form the heart of a strong pitching staff which also will include lettermen James Scrubbs and Mack Payne. James Johnson, who lettered his freshman year, should give yeoman's service

to these three starters if he can improve his control problem.

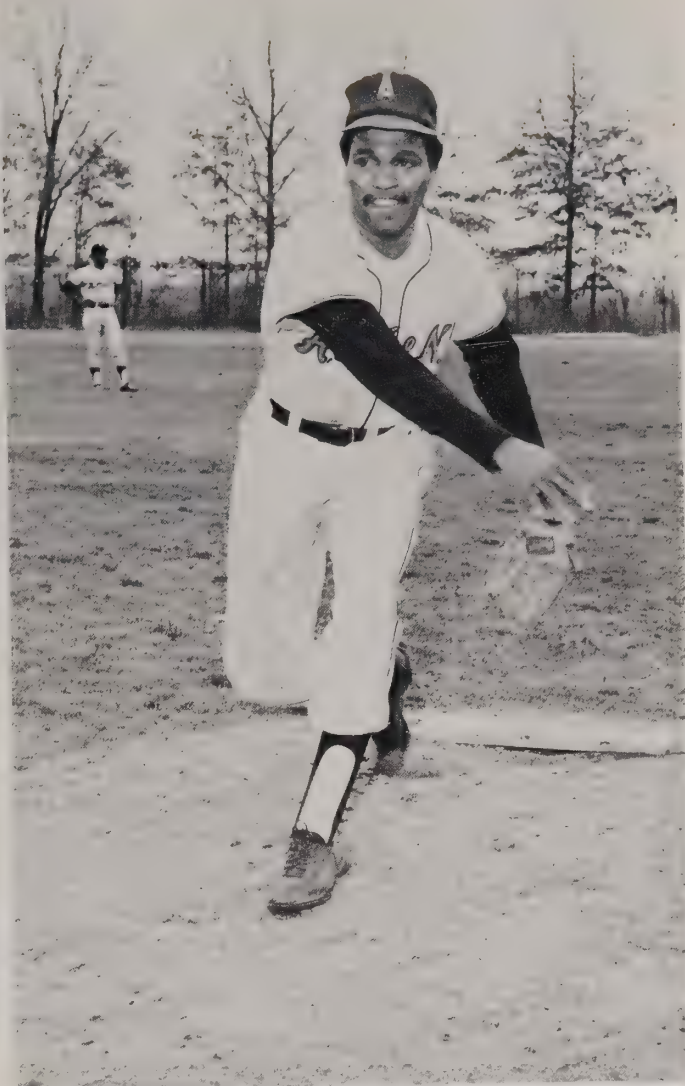

Richard has done yeoman duty behind the plate the past two seasons, while Streeter has done a good job at second base.

Harris has the task of taking over the offensive leadership of the team, due to the graduation of Charles Loman.

The biggest task for Coach Spearman appears to be developing offensive consistency at the plate and shoring up the pitching staff, where regulars Robert Jones and Charles Loman have graduated.

Billy Westbrook, becomes "70" captain.

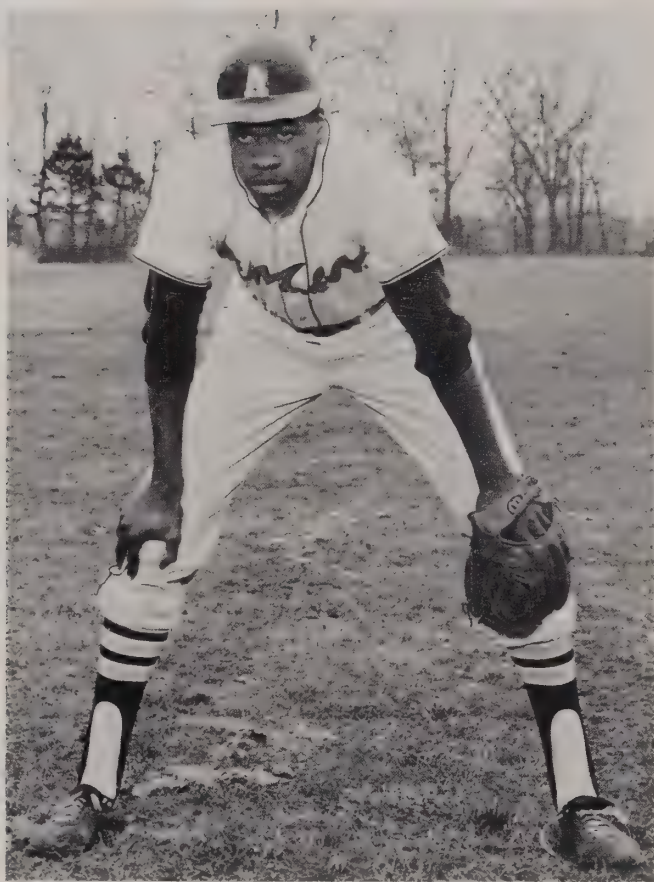

Buchanan, Captain tremendous ability.

Dormitories - - - Counselors

Home Sweet Home is the atmospheric effect of the dormitories on A. M. and N. College campus. They serve many vital purposes as well as being a residing place for students who wish to live on campus.

Each residence hall has a specific goal and a core of activities which reflect continuity and progress toward our ultimate goal — individual capacity for a higher quality of independent action.

A residence hall program must of necessity be seen as an integral part of the total educational process set forth at an institution of higher learning.

The women and men living areas of A. M. and N. College are dedicated to a functional philosophy of democratic living. They undertake to promote a program of personal development that fosters growth in each woman and man toward becoming increasingly happy, independent and effective. Developmentally, the program is geared to our residence pattern of separate housing according to freshman, junior, sophomore and senior levels.

Seated, L. to R.: Birdia Crain, Alfalene Austin, Eloise Turner, Shirley Williams, Helen Smith, Bertha Williams, Georgia Jacobs.

and Officers

House organizations are organized by young men and women to serve many purposes, some of these being:

1. To build a cultural climate for the residents to live in;
2. To make decisions as to the budgeting of house dues which are required of each residence;
3. To help establish a wholesome atmosphere in the dormitory in hopes that as a result it will be reflected in every-day life;
4. To sponsor and organize social affairs concerning the women and men who live in the halls and also other students;
5. To help build honorable, respectable future Americans;
6. To develop desirable traits and qualities that are necessary in developing respectable women and men;
7. To function as an organized body in confronting administrators with problems, grievances, and criticisms;
8. To develop charm, respect, and desirable personality traits in both men and women.

Bairns

After a few years, it starts to look beautiful.

Let's face it, VW customers are like other people. They like changes, too. But they look for changes that make sense. Like the kind VW has been making for 20 years. Changes that are not just changes, but improvements.
